The Ashlar Award for New Masons

Congratulations on being Initiated as an Entered Apprentice and beginning your journey in search of Masonic Light (knowledge). The Ashlar Award provides recognition and is a guide for you as you start down the path to Masonic education and enrollment. You will find there are many Brothers along the way who will be as eager to teach, as you are to learn. This program is designed to assist you in securing their guidance and help you build a strong foundation. You will have fourteen months from the day you are Initiated to complete the Ashlar Award program. Enjoy the journey!

Section I: In this section you are introduced to the elementary parts of Masonry. You are asked to attend Lodge so you may become familiar with the form and function of your Lodge. You will sign the by-laws as a Masonic record of the covenant you have with all Masons, but more especially the Brothers of your Lodge. Proficiency in the Enlightenment Course provides a solid foundation to work from on your Masonic path.

Section II: Attending the degrees will reinforce the symbols and lessons contained in each degree. Over the years each time you see or participate in a degree you will find more and more is revealed to you. A Lodge of Instruction will deepen your understanding of the details that are incorporated in each degree. Visiting other Lodges will begin to spread the Masonic bonds of Fellowship and Friendship that bind us all together as Brothers.

Section III: This section involves specific study of the parts of Masonry that hold particular interest to you. After learning more as we seek further knowledge in Masonry, it is only natural to want to share that knowledge with our peers and family. Attending a Grand Lodge Cornerstone Laying, Rededication, Reception, Communication, or other event allows us to continue to build the bonds that cement us all together. Donating your time is an outward and visible way of expressing your desire to improve your community.

Section IV: In this section you share your knowledge and leadership skills to benefit others. You will find a great deal of satisfaction when you complete this program. However, this is only the beginning of your Masonic Journey.

Each Brother who amasses 430 points and submits the application will receive an "Ashlar Award." The Award recipients each Masonic year will be recognized at the annual Communication of the Grand Lodge of Iowa. One recipient will be selected by the Grand Master to receive the "New Mason of the Year" Award.

Completion Date: Date Initiated plus fourteen months (e.g.: Date Initiated: May 14th, 2016+14 months = July 14th, 2017)." Reporting period for Grand Lodge purposes will be from September 1st to August 15th the following year. All reports received during this period will be considered part of the same Masonic year based on the completion date. Applications are due in the Grand Lodge Office on August 15, 2017 to be eligible for the award in 2017. Send the completed form to: Grand Lodge of Iowa, P.O. Box 279, Cedar Rapids, IA 52406-0279 or dgs@gl-iowa.org.
