Dear Brother \_\_\_\_\_:

You have previously received notices for the current year's dues owed your Lodge, and we have not yet received a response. The current year's dues payment of \$\_\_\_\_\_ is due.

You are an important member of this lodge. Your Brothers do not want to see your membership ended by non-payment of dues. These dues must be paid by the date of the July meeting to avoid being dropped from the roll. If there is a reason why they have not been paid, or if you are unable to pay your dues for this year, the lodge would very much like to hear from you soon.

My Brother, please consider on why you joined the Fraternity, the many benefits you have received, all the good this Fraternity does for society, and the fraternal friendships you have made. As you reflect on these things, you will understand exactly how your Brothers feel and how important your membership is to us. Please don't allow that bond to lapse. Upon receipt of your payment, I will be pleased to return your current year dues receipt.

Fraternally yours,

\_\_\_\_\_, Secretary
