Grand Master's Message

Greetings Brethren,

How time flies when you are having fun! Many places, many faces, and many miles have made this an incredible year so far. This has been such a rewarding year as Peggy and I have traveled from coast to coast and border to border of this Great Jurisdiction. Many goals have been completed, but many lay ahead of us yet to be completed.

The Education Conference in February was a success. We had a full house and everybody there enjoyed the presentations and the Degree exemplified that evening. I am satisfied that I witnessed what another State may do for Degree Work, but it makes me appreciate what Iowa has for Ritual. Your Grand Lodge Officers have conferred several Second Sections of the Third Degree and we have several more on the schedule. It gives me great pleasure to visit the many Lodges around the State and observe the local Brethren conferring the Ritual. The Next Generation Roundtable Discussion continued through the Neighborhood Area Meetings. I hope all who wanted to, were able to attend one of the NAMs and help in the discussion of "Empowering the Craft for the Future". Membership is of vital importance to this Fraternity and only you as Masons can make a difference.

In April thirty two Masons and their Ladies enjoyed an exciting trip to Washington, D.C. We contacted Senator and Brother Charles Grassley who provided tickets and a guide for our tour through the U.S. Capitol. We had a side trip to Richmond to visit the oldest Masonic Building in the United States. It was constructed in 1785 and has been used as a Lodge ever since.

Officer Receptions are winding down and we will finish those early in July. This year's Officers have been well supported by the local Brethren and I could not be more proud of them myself. Each and every one of these Officers have made excellent ambassadors of Masonry this year.

There will be one more Optional Mentor Training Course offered on June 25 at the Library in Cedar Rapids. Make plans now to attend. On July 29 there will be an All-Iowa Masonic Golf Tournament at the Legion Golf Course on Marshalltown. Information is in the Bulletin and on the web-site. Proceeds will go to Camp Courageous and the Life Enrichment Center. Let's make this a memorable day for Masonry. Pin sales continue and the Pillar Program is still in need of your support. There is a lot of work needed at the Library and Museum and we as Masons have an obligation to maintain that Building.

Grand Lodge is coming again in September and I hope you are making plans to attend. All Masters and Wardens of the subordinate Lodges should be there to represent their Lodge. "YOU" Brethren, are the Grand Lodge. Your input is vital to the future of Iowa Masonry.

Fraternally and Respectfully,

Arthur G. Crandon
Grand Master of Masons in Iowa

The Traveling Gavel

Worshipful Master Chuck Legler pointed out that in the Entered Apprentice Degree, Psalms 23, "Behold how good and how pleasant it is for the brethren to dwell in unity." Using this Psalm as a guide, he announced that Viona Lodge No. 538 in Renwick has started a traveling gavel program. It is designed to promote visitation from and/or between other lodges. When another lodge of four or more members visits the host lodge, the visiting lodge then obtains possession of the traveling gavel and then takes it back to their home lodge, until another lodge visits them and is able to fulfill the requirements who will take it back to their lodge.

A Masonic Gavel is an emblem used by the Master to lead and direct the lodge. Its design is similar to what an Operative Mason would use to break off the rough edges of stones (Ashlars) in order to fit them for their final use. As all Masons have heard in the first degree, we symbolically use it to develop ourselves pleasing to our Creator.

This Masonic Gavel Set is made of walnut, ash and oak. The head of the gavel is walnut and signifies beauty. The handle is ash and is symbolic of flexibility. The base is oak (in the shape of Iowa) and denotes strength. Together these symbols allude to the beauty, the flexibility, and the strength of the Masonic Philosophy. The ash handle has two sets of three rings. The three rings near the head symbolize the three great lights. The three near the end of the handle indicate the three degrees of Masonry with each (ring) degree becoming larger and thus more important and significant.

And so Worshipful Master Legler said "Let the visitation of our visiting brothers begin!"

A TRIBUTE TO W. ROSS McCULLA

by Paul H. Wieck, P.G.M.

"Behold, the Lord stood upon a wall made by a plumbline, with a plumbline in his hand."

A plumbline may consist of a string with a weight attached or it may be composed of bone, muscle and sinew--of character, intelligence and fortitude. Of such was our distinguished brother, W. Ross McCulla, a man of stature and perseverance. A true plumbline.

In the words of then Grand Secretary Charles T. Jackson, penned in 1977: "Iowa was blessed during the 1976-77 Grand Lodge year with a young, dynamic leader in the person of W. Ross McCulla. It was obvious from the very first hours of his term that his was to be a firm leadership. It was also obvious that his every move would be made after careful consideration was given to what would be best for the Grand Lodge of Iowa and for Masonry in general. It also became obvious that his handling of controversial matters would be done in such a way that, while those who differed with him in opinion might not change their minds, yet, they would respect him for having the courage to stand up for his convictions."

Brother W. Ross McCulla was born June 7, 1927, and graduated from Brooklyn High School in 1944. He married Irene Healey on August 10, 1947. They were the parents of three sons: David, Dennis, and Greg. Ross was a man of the soil and worked the family farm until 1979. From then until 1989, he served Iowa Masonry as executive director of the Iowa Masonic Nursing Home at Bettendorf. After retiring in 1989, he and Irene moved to Grinnell. He was a 76 year member of Grace United Methodist Church in Brooklyn where his funeral services were conducted on May 5, 2016, following his passing on May 2. Masonically, Brother McCulla was initiated December 11, 1953, passed December 29, 1953, and raised to the Sublime Degree of a Master Mason on January 6, 1954, in Corinthian Lodge No. 174 in Brooklyn (now Poweshiek Lodge No. 174 in Malcom). After faithful service in the line offices, Brother Ross served his Lodge as Worshipful Master on several occasions. A student of the Ritual, he proudly carried District Lecturer Certificate No. 2242.

Ross was a member of the York Rite Bodies in Oskaloosa, a recipient of the DeMolay Legion of Honor, a Sovereign of the Red Cross of Constantine, and a 50 year (plus) member of the Order of the Eastern Star. He was a Thirty-Third Degree Scottish Rite Mason and a member of Research Lodge No. 2.

Ross's activity in the Grand Lodge of Iowa began early in his life as he was appointed Junior Grand Deacon when he was only 34 years of age, and elected Junior Grand Warden in 1967. In 1976 he was elected Grand Master for the 1976-77 Grand Lodge Year. Service on various Boards and Committees included a stint on the Board of Trustees of the Grand Charity Funds and the 10 years as Director of the Iowa Masonic Nursing Home.

Masonic Funeral Rites were conducted by the Grand Lodge with Brother William Kimler presenting the eulogy. Brother Terry Osborne shared as a vocalist. Interment was at the Brooklyn Memorial Cemetery.

Rest in Peace, Brother Ross.
Good Morrow, Brother, Good Morrow.

Brother Lloyd Crumly Honored with 70-Year Certificate

By Senior Grand Warden A.J. Brown

Mahaska Lodge No. 644 met for their stated communication in Oskaloosa on April 7, 2016 with a rare presentation. Senior Grand Warden A.J. Brown presented a 70-Year Certificate for Brother Lloyd Crumly on behalf of The Grand Lodge of Texas and the Grand Lodge of Iowa to Brother John Crumly who is

John Crumly and Mahaska Lodge

Brother Lloyd's son. Brother John shared some very nice remarks on behalf of his father upon receiving the certificate. All brothers present agreed that this was an honor that was rarely seen in Masonry. Unfortunately Brother Lloyd was in the hospital and was not able to receive his certificate.

The brothers then went to the hospital after the meeting and Brother A.J. presented the 70-Year certificate to Brother Lloyd in his hospital bed. Brother

Lloyd Crumly and AJ Brown

Lloyd expressed his deep gratitude for the fraternity and thanks for the honors accorded him. He also shared some thoughts and wisdom from his experiences in life. He was also proud to tell us that he had been happily married to his wife Mary for 77 years! It was a great night for all who were present to share in this milestone.

Unfortunately Brother Lloyd passed on to the Grand Lodge Above on April 25, 2016 at the age of 96.

Camp Courageous Omelet Breakfast

Camp Courageous, a year round recreational and respite care facility located South of Monticello for individuals with vision, mental, physical and other disabilities. The mission of Camp Courageous is to provide exceptional year-round recreational and respite care opportunities for individuals with special needs and their families. The camp is run primarily on donations, giving all individuals the opportunity

Darrell Fremont, AJ Brown, Harvey Woody and Ted Wiley

Mike Ryan, Ken Hurmence, and Sean Morgan

to give through gifts of time, materials, money, and other means that support the camp. Each year, it has a pair of major fund-raisers an omelet breakfast the last Sunday of April and a pancake breakfast the last Sunday of September.

April 24th was a beautiful spring day as Grand Master Arthur G. Crandon, his lady Peggy, the Grand Lodge Officers, their ladies, Worthy Grand Patron Russ Hibben, his wife Leonna, the Grand Chapter Order of the Eastern Star Officers and their companions all journeyed to Monticello to assist at the Annual Omelet Breakfast. They cooked omelets, served sausage and toast, provided drinks, cleared and reset tables and generally assisted as a crowd of nearly 3000 were served omelets from 7:00 AM until 1:00 PM. It was a very successful and rewarding event that was enjoyed by all.

Developing A Symbol: The Square and Compass with the Letter G in American Freemasonry
by Aimee E. Newell, Ph. D

In the United States today, the most prevalent Masonic emblem is the Square and Compasses, almost always with a Letter G in the center. It appears on lodge buildings throughout the country, branding them in one glance as Masonic, serving as a logo for the fraternity.

Henry W. Coil's history of this symbol from his oft - cited Encyclopedia, has long been repeated, without published debate: "... as late as- 1873, the letter in the symbol was unusual.... No representation of it has been found as early as 1850."¹ Yet, even a cursory examination of American lodge and museum collections turns up any number of objects made well before 1850 and marked with this very symbol. Despite its widespread use, this symbol has received little consideration of what it can tell us about the development and evolution of American Freemasonry. The emblem actually appears much earlier than Coil's date of 1850. For example, the Scottish Rite Masonic Museum & Library in Lexington, Massachusetts, holds a Masonic snuffbox in its collection that was made in France for the American market in the 1780s or 1790s.² It shows a Square and Compasses symbol at top center, complete with a G in the middle. The rest of the decoration is an allegorical scene with a Master Mason standing between columns marked "J" and "B," for Jachin and Boaz, at the center. The Mason is flanked by palm and acacia trees, the sphinx and a pyramid, and female figures. Prudence, at one side, holds a mirror, while Justice, at the other side, holds a sword and stands over the prostrate figures of a man holding a torch and a woman holding a mask. Also in the museum's collection, a horn cup dating to about 1780 is carved with an arrangement of Masonic symbols, including the Square and Compasses with the G.³ A note accompanying the cup suggests that it was originally owned by William Chapman (dates unknown) of Connecticut. And, an apron, which dates to about 1615 and was probably made in Massachusetts or New Hampshire, is also part of the collection.⁴ The body includes a painted motif of the Square and Compasses with a G in the center. One more pre-1850 example to dispute Coil's assertion is a set of watch papers. Clockmakers and watch owners placed these round papers inside a pocket watch to protect the works from dust.⁵ This set of papers is dated with handwritten inscriptions on the back. One inscription is dated March 26, 1820, and the other October 27, 1825. The Square and Compasses symbol appears on the left with the G in the middle.

All of these examples underscore the usefulness and importance of objects for Masonic research. While the fundamental questions addressed here can be studied through documents and published Masonic rituals, the material evidence substantially adds to the body of evidence and informs my conclusions. Objects, sometimes made by the Freemason himself, or selected by the Freemason as consumer, help to show us how practicing Masons intersected with prescriptive texts and the rituals they learned inside the lodge. The domestic items described here offer a level of insight beyond what printed materials can offer; they suggest personal choices made by American Freemasons regarding how they learned about the Craft and chose to identify themselves as a member.

Morningside Lodge No. 615 Teacher of the Year

By Secretary Daniel Priestley

Sioux City Community School District educator Sonja Grimsley has been named Teacher of the Year by Morningside Masonic Lodge No. 615.

In honor of this recognition, a dinner was held at the Morningside Masonic Lodge located at 4110 Morningside Avenue, on Friday, April 29 from 6:15 PM to 8:00 PM.

Mrs. Grimsley has been employed with the Sioux City School District for 21 years and works at East Middle School as a Special Education Teacher where she teaches students with mild intellectual disabilities.

In addition to supporting the academic success of her students, Mrs. Grimsley serves as the Red Ribbon Coordinator for East Middle School. She is an active member of the 100+ Women Who Care – Siouxland Chapter, and has been a supporter of the United Way of Siouxland since 2000.

"Mrs. Grimsley works tirelessly to meet each of her students' needs" said Linda Steele, Assistant Principal for East Middle School. "This past year Mrs. Grimsley was diagnosed with ovarian cancer the day before school started. Faced with a diagnosis that could have stopped her in her tracks, she chose to be a fighter and be at school each and every day that was physically possible."

"Masons are firmly committed to building a better community and better world through education and enlightenment" said Tim Bonney, Worshipful Master of Morningside Masonic Lodge No. 615. "We recognize the commitment, effort, and work it takes for those that nurture our youth to become tomorrow's leaders. For these reasons, we are pleased to honor Mrs. Grimsley as the recipient of our lodge's Teacher

of the Year Award as she embodies the spirit of the award."

The brethren of Morningside Lodge have also nominated Mrs. Grimsley for the 2016 Grand Lodge of Iowa Masonic Teacher of the Year award. The winner for the statewide award will be announced during the Annual Communication of the Grand Lodge of Iowa, which will be held in Cedar Rapids, IA in September.

Scholarship Recipient Update

My Name is Shayla Kopriva and I received the Grand Lodge of Iowa Scholarship in 2014. I am writing to give and update on how this scholarship benefited me.

Since I graduated from North Tama High School in 2014, I have attended Kirkwood Community College. At my time at Kirkwood, I have remained very involved on campus with Student Ambassadors, Student Leadership Council, STEM Club, Phi Theta Kappa Honor Society, and collegiate volleyball. I have received honors for my academic success, such as Dean's list and the NJCAA Volleyball Academic 1st Team All-Region Award. I also had the opportunity to participate in a mission trip to Guatemala and will partake in a study abroad trip to Spain and Morocco this summer for Spanish and cultural studies. I am an employee at the Arc of East Central Iowa and work with children and adults with disabilities.

I will graduate from Kirkwood this May of 2016. Then I will transfer to the University of Iowa as a Health and Human Physiology Major and a Spanish minor this fall. After I receive my Bachelor's degree, I plan to apply for medical school. My ultimate career goal is to become a family physician. I have a passion for helping others and I want to continue this passion for the rest of my life through the medical field.

This scholarship allowed me to focus more on my studies and involvement in extra-curricular activities and less on the cost of my tuition. I believe this scholarship helped me get one step closer to my future goal of becoming a family physician. I still feel extremely honored and grateful for receiving the Grand Lodge of Iowa Scholarship. I hope I am making you proud of your investment in my future!

"What A Great Day For Masonry In Sioux City, Iowa"
By Mark Harman Worshipful Master

Tyrian Lodge No. 508 had the opportunity to raise four Fellow Crafts to the Sublime Degree of Master Masons. Brothers Shane Schoultz and Christopher Mondoza from Tyrian Lodge, Brother Tommy Young from North Riverside Lodge No. 662 in Sioux City and Brother Mike Rudder from Trial Lodge No. 532 in Moville.

Four new Master Masons in Siouxland was a Great Day, but Masonry in its true form was displayed to these Brethren.

The cast of officers for the degrees included one Past Grand Master, Chuck Yates, six past Grand Lodge Officers, Past Masters from at least seven different Iowa Lodges, one Past Potentate of Abu Bekr Shrine, Joe Peterson, three current Divan officers of Abu Bekr and nine 33rd Degree Masons from the Sioux City Scottish Rite Valley, along with visitors from Nebraska. It was definitely a great day for Masonry in Siouxland and in Iowa! As Worshipful Master of Tyrian Lodge No. 508, I would again like to thank each and every Brother who was there to share in this very special day with our new Master Masons.

The Origin of "Tiler" or "Tyler"
January, 2016 "Connecticut Freemasons"

The outer guard of a Masonic Lodge room is called a "Tiler." In some jurisdictions, the word is "Tyler." According to Gary A. Littlefield, Grand Historian of the Grand Lodge of Connecticut, there are at least two theories of the origin of the word.

He said that famed Masonic author Albert Mackey believes that, since tilers were workmen who installed materials to cover the buildings where Freemasons met and shut it off from the outside world, the symbolic name of tiler was given to the Brother who guards the outer door.

Another theory is that in England around 1700, men's hats were sometimes called "tiles" and the doorkeeper of clubs, fraternities, and societies was called a "tiler" because he took care of the tiles. This Theory has a flaw, Brother Littlefield say, since some clubs called their "doorkeeper" a beadle.

Fort Madison Lodge No. 13 Honors Dedicated Brothers

By H.B. Calvert

At the April stated communication of Fort Madison Lodge No. 13 Worshipful Master Danny Sweezer presented Certificates of Appreciation to lodge members who have demonstrated extra service to the lodge. Each member was presented the certificate as the WM announced what the brother specifically does to help keep the lodge running. Just a little something to show how much we appreciate their devotion.

The photo from left to right: Brothers H.B. Calvert, Brent Zirkel, Worshipful Master Danny Sweezer, Brothers Ray Holt, John Kent, and Don Mayer. Missing from the photo is Brother Al Meisrose.

There was a meal prior to the stated, we have a dinner prior to every monthly stated, we take turns cooking and collect a free will offering to cover expenses. It is a good chance for fellowship and mingling with the different brothers.

The brothers who were presented certificates do various things for the lodge, I was honored for taking the secretary job when no one else wanted it, snow removal from the parking lot, and mowing grass, Brent for taking the Treasurer's job (same reason as mine), mowing grass, and helping at the weekly school, Ray for the weekly school and mowing grass, John Kent for organizing the volunteer work at Christmas and delivering fruit baskets to our Past Master's widows at Christmas, and last but certainly not least is Don who keeps us on the straight and narrow and does a pretty good job of keeping us out of trouble. A crew of four take turns cutting the grass, that way no one gets burned out. Another certificate was to be presented to Brother Al Meisrose for taking care of our lawnmower and other power tools, but he was absent at our meeting. We will make sure he gets it next month.

Dwayne Feight honored for 50 years of Service by South Gate Lodge

Brother Dwayne Feight shared a very special day in his life with many friends, family and brothers on February 13th. Grand Master Arthur Crandon presented him with a 50 year certificate and his son and daughter, William and Jane, presented a 60 year anniversary cake to him and his bride, Joan. About 50 people helped celebrate and enjoyed a light lunch, featuring Dwayne's own recipe for pizza rice. It was a very heartfelt and enjoyable Saturday afternoon!

Dwayne was raised in 1966 and was fortunate enough to have every position in his degrees played by someone from his church. This made it even a more special event. Dwayne earned the Masonic Instructor distinction in 1972 and became a District Lecturure in 1975. He has always enjoyed ritual and helping brothers develop in their skills. He even recently successfully did the Senior Decan part in a degree for the first time in 20 years! In 1998 he served South Gate Lodge as Worshipful Master. Masonry is a family tradition for Dwayne, as his father and grand father were both also 50 year members.

Along with helping many brothers with ritual over the years, Dwayne is very proud of the Thanksgiving Meal that he started back in 1999. This is a free meal offered each Thanksgiving for free to anyone who would like a nice meal and great company. This not only helped many people enjoy a great meal on special holiday, it also brought the lodge members together to work towards a very rewarding goal. This gave us that special feeling of helping someone in need, a feeling we cherish. He turned the reins over for this event in 2014 and it is still going strong. Cribbage Boards for everyone, he said. That's right! Dwayne accomplished his goal of making a cribbage board for every single lodge in the state of Iowa. Fellowship is his favorite part of Masonry and he wanted to make sure that every lodge had this game to play and share fellowship. In one year, he made over 1000 Cribbage Boards and donated them to different charities around the area.

South Gate is very appreciative of Dwaynes contibutions and proud of how he has served not only his lodge, but his community. Congratulations Dwayne!

Natalie J. Lambert, Southeast

"She is an intelligent, capable, dedicated, and personable young woman whom I am proud to say I know. She is every teacher's ideal student!"
