The Grand Lodge of Iowa has established a qualified retirement plan for eligible employees of the Grand Lodge of Iowa, the Iowa Masonic Heath Facilities and the Rowley Memorial Masonic Home. The plan will conform to all current and future governmental and regulatory requirements and will meet all ERISA requirements. Additional information and specific details can be found in the current proto-type plan document and summary plan descriptions. They will be made available to interested parties upon request to the Pension Plan Administrators or their designee.

No change in, or termination of this plan may affect in any way the amount or terms of any pension benefits already provided prior to the then calendar year, or payment of benefits arising out of death or retirement occurring prior to the date of such change.

Section 2. ADMINISTRATION.

This qualified retirement plan, subject to the right of change or termination by the Grand Lodge, shall be under the direction of a group consisting of the Board of Trustees of the Grand Lodge plus one member of the Board of Trustees of the Grand Charity Funds and one member from the Trustees of the Herman L. In the absence of both present and Past Grand Officers entitled to preside, then the Master of the senior subordinate lodge present shall preside.

Section 3. PARLIAMENTARY USAGE.

The parliamentary usage of civil deliberative bodies is not recognized in Masonry, except in so far as it does not conflict with our well-established customs and the time-honored powers of the Grand Master. The parliamentary usage of Masonry is something peculiar to itself. Its outlines are to be found in the Ancient Constitutions, Rules of Order, and the Laws of the Grand Lodge.

The sole object of all debate in Grand Lodge or in subordinate lodges is to elicit decisions which shall be for the good of the Craft. Hence, all questions under discussion must be positively determined at the time, or final action be postponed to a stated time, when the question must again be resumed and finally decided. The formation of "committee of the whole," the call for the "previous question" and all obstructive motions are forbidden.

Every proposition offered for consideration shall be in writing. Debate shall be closed at the will and pleasure of the Grand Master. All matters before the Grand Lodge for determination shall be decided by a majority vote except when otherwise provided by law.

Section 4. POINTS OF ORDER.

a. At the stroke of the Grand Master's gavel there shall be a general silence.

b. Every one who speaks shall rise, address the presiding officer, and remain standing while speaking; and no member shall interrupt him, unless to raise a point of order. After decision thereon he may proceed, if he observes due order and decorum.

c. No brother shall speak more than once on the same question if objection is made, unless by permission of the Grand Master, except that the brother presenting any motion, resolution, or measure shall be entitled to make the closing address.

d. If any member has twice been called to order at one session for transgressing these rules and is guilty of the third offense of the same nature, the chair may peremptorily order him to leave the lodge room for that session.

Section 5. READING OF THE MINUTES WAIVED.

The reading of the minutes at Grand Lodge may be read at the conclusion of Grand Lodge or waived by a majority of the delegates in attendance and approved as printed in the Proceedings.

Section 6. GRAND LODGE APRONS.

In Grand Lodge the officers wear a white apron with purple edging and having thereon the emblem of the office within a circle. Past Grand Lodge Officers may wear such aprons as may have

been heretofore or shall be hereafter presented to them or designated for them. Other members of the Grand Lodge wear a plain white apron.

Section 7. MILEAGE AND PER DIEM.

a. Authorized. There shall be paid to one representative from each lodge for each day's actual attendance upon Grand Lodge fifteen dollars (\$15.00), and for each mile of travel by the most practicable route from his home to Grand Lodge and return, ten cents. Such mileage rate shall also apply in determining the travel expense of the officers of the Grand Lodge and all persons entitled to payment of traveling expense for attendance upon the Grand Lodge Communications.

b. To Whom Paid. The mileage and per diem above provided for shall be paid to the actual officer highest in rank in attendance, as: Master, Senior Warden, Junior Warden. If only proxies are in attendance, then the proxy of the officer highest in rank shall receive such payment.

c. Restrictions. Important work for members in attendance upon the Grand Lodge comes during its closing hours. Therefore no mileage and per diem will be paid to any member who shall without permission of the Senior Grand Warden, for good cause shown, absent himself from attendance before the Grand Lodge is closed. In no case shall mileage be allowed or paid for travel outside the boundaries of the State.

Section 8. EXPENSES OF GRAND LODGE OFFICERS AND COMMITTEEMEN.

Each officer of the Grand Lodge as provided in Article IV, Sections 1a, 1b, and 1c of the Constitution shall receive his actual and necessary expenses for attendance at all communications of the Grand Lodge, regular and emergent, and the Grand Lodge School, on approval of the Committee on Finance; but in no case shall he receive expenses and in addition thereto mileage or per diem as the representative of his lodge.

Each committeeman shall receive such remuneration as provided in Section 7a of this Chapter, for each day's attendance at the Annual Communication of the Grand Lodge, and for actual meetings and/or functions performed during the Grand Lodge School, on approval of the Committee on Finance; but in no case shall he receive payment in any other capacity.

b. A resolution adopted by the Grand Lodge is effective only in so far as it conforms to existing laws and Grand Lodge interpretations of such laws. It remains in force until rescinded or a modification of the law renders it inoperative.

Section 2. DECISIONS OF THE GRAND LODGE.

a. On Reports of Committee on Appeals and Grievances. The decisions of the Grand Lodge on the report of the Committee on Appeals and Grievances touching the legal questions involved are judicial in value and are to be considered as correct interpretations of existing laws.

1. The member shall present to the Grand Lodge a statement of facts in writing and set forth the legal question which he claims is involved.

2. The Grand Lodge, if it entertains the statement, shall refer it to the Committee on Masonic Jurisprudence, which shall report thereon.

b. Opinions. Opinions are either “official” or “unofficial.”

1. Official Opinions. The Master of a lodge may inquire of the Grand Master as to the law for the government of his lodge in a particular case. An opinion of the Grand Master in reply thereto is “official.”

2. Unofficial Opinions. Answers by the Grand Master to letters from other members of a lodge giving his opinion as to law or fact are “unofficial.”

c. Report. The Grand Master shall report to the Grand Lodge all decisions and official opinions on Masonic law rendered by him during its recess. Such decisions and official opinions shall be referred to the Committee on Masonic Jurisprudence for its consideration and report.

d. Effect. Decisions and official opinions govern the particular cases in which they are rendered until set aside by the Grand Lodge.

1. Decisions. In regard to decisions, the action of the Grand Lodge on the report of the Committee on Masonic Jurisprudence shall be deemed correct interpretation of the law governing the case decided.

2. Official Opinions. In regard to opinions, if official and approved by the Grand Lodge, they have the effect of an approval of the act of the Grand Master in the particular instance, but are not binding as correct expressions of either written or unwritten law. They are of value only as opinions formed upon *ex parte* statements, without issues submitted in proceedings requiring judicial determination.

3. Unofficial Opinions. Unofficial opinions do not control or govern either the lodge or the individual Mason.

Section 4. RECOMMENDATIONS.

a. The Grand Master in his report, or a board or committee in its report, may present a draft of a proposed change in the law, but the action of the Grand Lodge in its enactment must be independent of its action of the report and in the manner set out elsewhere in this Code.

b. Recommendations of the Grand Master in his report, or of any board or committee in its report, as to changes in, alterations of, or additions to the law, although concurred in by the Grand Lodge, shall not be of force or effect as law merely by reason of such action; but to render them legal enactments, they must be presented to and adopted by the Grand Lodge as provided by the Code.

When July 15 falls on a Saturday or Sunday, the allowable filing date shall be extended to include the first Monday following July 15. However, a proposal for amendment sponsored by the Committee on Masonic Jurisprudence may be filed with the Grand Secretary at any time during the first day of the regular communication of the Grand Lodge. When so filed with and presented by the Grand Secretary to the Grand Lodge, it shall constitute the report of said committee recommending its adoption. (*Amended 2007*)

b. Grand Secretary's Duty. Prior to August 15, the Grand Secretary shall mail a copy of all resolutions to each member of the Grand Lodge as provided in Article III of the Constitution. Immediately following the Grand Master's Report on the morning of the first day of the regular communication of the Grand Lodge, the Grand Secretary or his deputy shall read the resolutions for amendment stating the sponsor of same. The reading of the resolutions and the sponsor's name may be waived by a majority vote of the delegates in attendance. c. Committee's Duty. Not later than the afternoon of the day preceding the opening of the regular communication of the Grand Lodge, the committee shall meet for the purpose of considering all proposed amendments and shall make its report thereon during the afternoon of the first day of the communication. The Committee may, by its report, recommend adoption, rejection, or amendment and adoption as amended, but its report shall have the effect of a recommendation only.

d. Action by Grand Lodge. Action on proposed amendments by the Grand Lodge shall be taken on any day of that communication of the Grand Lodge subsequent to the day on which the report

of the Committee on Masonic Jurisprudence is made. Irrespective of the report of the committee, when the proposed amendment comes before the Grand Lodge for action, the question shall be, "Shall the resolution be adopted?", which question shall be put by the Grand Master when he has determined that the debate on the question has been completed; provided, that the recommendation of the Committee on Masonic Jurisprudence shall be read before the question is put. Amendments from the floor proposing changes to the originally proposed amendment shall not be allowed. *(Amended 2007)*

e. Effective Date. Unless otherwise provided by the Grand Lodge, amendments shall take effect on January 1st following their adoption.

f. Notification Required. Between April 15 and May 1 each year the Grand Secretary shall notify the Elective Grand Officers, the Deputy Grand Master, and the Chairman of each Grand Lodge Committee that proposals for amendments must be filed in his office on or before July 15. The failure of the Grand Secretary to carry out any of the duties prescribed in this section shall not affect the jurisdiction of the Grand Lodge to act on proposals for amendments in accordance with the procedure herein provided.

Section 4. PRIOR ACTS.

The repeal of existing laws shall not affect any act done, right accrued, offense committed, or proceeding commenced prior to the time when such repeal takes effect.

LAWS FOR SUBORDINATE LODGES

CHAPTER 1 SUBORDINATE LODGE DEFINED

Section 1. DEFINITION.

a. A subordinate lodge is a certain number of Masons duly assembled with the Holy Bible, Square, and Compass, and a Dispensation, Charter, or Warrant empowering them to work.

b. The terms "Grand Lodge," "lodge(s)" and "subordinate lodge(s)" as used in this Code refer to the Grand Lodge of Iowa, A.F. & A.M. and to chartered lodges under its jurisdiction. *(Amended 2000)*

Section 2. LAWFUL AUTHORITY REQUIRED.

No lodge in this Grand Jurisdiction may legally work unless the document called a "Dispensation," "Charter," or "Warrant" has been issued by authority of law and is present at all communications of the lodge when opened on any degree; provided, that when a Charter has been issued to any lodge, a photostatic copy thereof duly attested by the Grand Secretary may be used in lieu thereof.

Section 3. IRREGULAR LODGES.

A lodge with a proper Dispensation, Charter, or Warrant, though not legally constituted for a particular meeting, as if fewer than seven members are present, is an irregular lodge and Masons made therein are not clandestine Masons. A clandestine lodge is one without a Dispensation, Charter, or Warrant from a recognized Grand Lodge.

CHAPTER 2 LODGES UNDER DISPENSATION

c. A written notice to the lodge or lodges whose jurisdictions will be affected by the proposed lodge. The notice shall be presented to the lodge or lodges affected at a regular communication and shall require objection to be made to the Grand Master within ten days thereafter. A written consent shall dispense with the service of notice.

Section 3. DISPENSATION REFUSED.

If for any reason the Grand Master refuses to grant a Dispensation for a new lodge, all regular demits deposited with him with the petition thereof shall be returned to the owners and any conditional certificates of demission thus deposited with him shall be returned to the lodges issuing them.

Section 4. RESTRICTIONS.

a. Issuance. No Dispensation shall be issued for a new lodge after June 30 and prior to the close of the regular communication of the Grand Lodge for that year.

b. Name and Number. No new lodge shall receive the name or number of any lodge of the jurisdiction, whether active or extinct, nor shall a new lodge be named for the town or city where located, nor in honor of a living person.

Section 5. FEES.

For every Dispensation for the formation of a new lodge there shall be paid into the Grand Lodge treasury the sum of thirty dollars (\$30.00), which shall accompany the petition.

Section 6. RIGHTS.

Lodges working under Dispensation shall have all the rights of Chartered lodges, except election of officers and representation in the Grand Lodge.

Section 7. RETURNS.

a. Facts to be Shown. Every lodge under Dispensation shall, between August 15th and August 25th following the issue of the Dispensation, send to the Grand Secretary its returns and an abstract of its work, stating particularly the following facts as to each separate communication:

7. Application for demits and action thereon.
8. Applications for transfer and waiver of jurisdiction over Entered Apprentices and Fellow Crafts, and action thereon.
9. A complete statement of the financial condition of the lodge.

b. Form. The abstract shall be made in such form as is prescribed by the Grand Secretary.

c. Certificate of Correctness. A certificate of correctness of the abstract shall be appended, signed by the Master and Secretary.

d. Referred to Committee. The abstract, when returned to the Grand Secretary, shall be referred to the Lodge Service Committee, without action by the Grand Lodge.

Section 8. WORK TO CEASE.

Work of a lodge under Dispensation shall cease August 15th following issue of the Dispensation and shall not be resumed until the Dispensation is renewed or the lodge has been constituted under authority of a Charter granted by the Grand Lodge.

Section 9. CHARTER REFUSED.

a. Status of Members. If a Dispensation is granted and a new lodge organized thereunder, and the Dispensation is subsequently recalled by the Grand Master, or if the Grand Lodge refuses a Charter, all the members thereof in good standing who were received on regular demits or were raised to the Sublime Degree of Master Mason therein shall have the status of regularly demitted Masons. Upon the demand of the Grand Secretary, the Secretary of such lodge shall promptly return to the office of the Grand Secretary all the books and records of the lodge covering the period when it worked under Dispensation.

b. Certificate of Good Standing. Upon the return of the books and records to the Grand Secretary, he shall issue to each member a certificate of good standing which shall have the force and effect of a demit. Entered Apprentices and Fellow Crafts shall be entitled to certificates as provided in Chapter 47, Section 2 of the Laws for Subordinate Lodges.

c. Conditional Demits. Conditional demits issued solely for the purpose of forming a new lodge, or affiliating with a lodge operating under dispensation, shall be returned to the lodge issuing them, whereupon the former membership therein shall be restored as of the date of such demits. If any such conditional demit be from a lodge that shall have become extinct after the issuing thereof, the brother named therein shall receive a certificate of good standing from the Grand Secretary which certificate shall have the force and effect therein as provided in paragraph b of this section.

In the event of an Act of God, involving a weather disturbance, or in the event of a local, state, or national emergency preventing the holding of a stated communication of the lodge, the Worshipful Master may postpone such meeting. Such postponed meeting shall be held within the following seven days, on such weekday as the bylaws of the lodge shall provide for such postponed meeting.

b. Called. Called communications may be held at any time at the discretion of the Master, as provided by law and the usages of the Craft.

c. Festival. Festival communications for social intercourse and pleasure may be called by a vote of the lodge at all suitable times and places, observing therein the teachings and welfare of the Institution.

d. Grand Master's One-Day Classes. At the request of at least three (3) Lodges chartered by this Grand Lodge, the Grand Master may issue a dispensation providing for the holding of a Grand Master's One-Day Class. No more than three Grand Master's One-Day Classes shall be held during the term of any Grand Master. See Section 8 of this Chapter for regulations governing Grand Master's One-Day Classes. (*Added 2001*)

Section 2. LOCATION.

The communications of a lodge shall be held at such place within the city or town of its location as the lodge may determine in its bylaws, subject to review or change by the Grand Master or the Grand Lodge. Section 5. QUORUM.

When the question to be voted upon is consolidation with another lodge, under the provisions of Chapter 44, Section 3a of the Laws for Subordinate Lodges, the Grand Master (Chapter 44, Section 3b of the Laws for Subordinate Lodges) or his duly authorized representative, may convene the lodge and preside therein, and the question may be decided by a majority vote of such members of the lodge as are present, even though less than seven. In the event that the lodge is not able to meet because of a lack of quorum for three consecutive stated communications, the Master may petition the Grand Master to convene the lodge to conduct business. The Grand Master or his duly authorized representative will then constitute a quorum, and business may be conducted and questions decided by the members present. *(Amended 2007)*

b. Called Communications. At called communications for work or festival occasions, one principal officer of the lodge, with six others who are Master Masons in good standing, may legally open the lodge. Except for the principal officer, they need not be members of the particular lodge.

b. Lodge Secretary's Duty. It shall be the duty of the lodge Secretary to file with the Grand Secretary an official Application for Candidate to Participate in a Grand Master's One-Day Class for each candidate. Such form should be received in the office of the Grand Secretary no later than fifteen days prior to the scheduled date of the Grand Master's One-Day Class. Each Application shall be accompanied by the registration fee for the Grand Master's One-Day Class. This card must be presented to the One-Day Class Registration Committee by the candidate on his arrival at the Grand Master's One-Day Class. No candidate will be registered without this Admission Card.

d. Certain Laws Not Changed. All rules and regulations pertaining to: Petitioner For The Degrees, Petition For The Degrees, Fees For The Degrees, Investigating Committee, Ballot on Petitioner, and Objection to Petitioner as stated in Chapters 22 through 27 of the Laws for Subordinate Lodges shall remain in effect for Grand Master's One-Day Classes.

f. Within Six Months Prior To The Date Of The Grand Master's One-Day Class. Any Brother who has received his Entered Apprentice or Fellow Craft Degree in a lodge chartered by this Grand Lodge within six months prior to the date of the Grand Master's One-Day Class may, upon proof of such conferral and assurance that all fees due the lodge have been paid, signed by the lodge Secretary, complete the remaining Degrees in the Grand Master's One-Day Class without being adjudged proficient as required in Chapters 29 and 30 of the Laws for Subordinate Lodges.

g. Untimely Advancement. A brother who has been Initiated or Passed in a lodge chartered by this Grand Lodge previous to the six-month date referred to in Section 8f must petition such lodge for and be elected to advancement as provided in Chapter 30, Section 3 of the Laws For Subordinate Lodges. The adjudgement of proficiency in preceding degrees as found in Chapter 30, Section 3 of the Laws for Subordinate Lodges will not be required. A statement signed by the lodge Secretary verifying election for advancement and that all fees due the lodge have been paid will qualify the brother for the Grand Master's One-Day Class.

h. Advancement and Membership. A brother who has received his Entered Apprentice or Fellow Craft Degree in another state whose Grand Lodge is recognized by this Grand Lodge and has petitioned and been elected for Advancement and Membership in an Iowa lodge under the provisions of Chapter 31, Section 2 of the Laws for Subordinate Lodges shall be an eligible candidate for a Grand Master's One-Day Class.

i. Costs For Grand Master's One-Day Classes. In addition to the Initiation Fee required in Chapter 24, Section 1a of the Laws for Subordinate Lodges there will be an additional Grand Master's One Day Class Fee not to exceed \$100. This fee must accompany the official Application for Candidate to Participate in a Grand Master's One-Day Class.

j. All Degrees To Be Conferred in their Entirety. The First and Second Sections of the First, Second and Third Degrees will be conferred in their entirety, as well as a Charge for each degree. No abbreviation of the Work will be allowed. There shall be one active candidate for each section of the three degrees. The remainder of the Class will observe from a special reserved section. (*Amended 2011*)

k. Proficiency required. In lieu of the proficiency examination required in Chapter 29 of the Laws for Subordinate Lodges, each member of the Grand Master's One-Day Class shall, before passing from the Entered Apprentice Degree to the Fellow Craft Degree or from the Fellow Craft Degree to the Master Mason Degree, be instructed in all modes of recognition for the preceding degree. (*Amended 2008*)

l. Master Mason Status Contingency. No member who has been raised in a Grand Master's One-Day Class may vote, hold office, serve on committees, demit from his lodge, petition for dual or plural membership, petition for membership in the Ancient Arabic Order of the Nobles of the Mystic Shrine (the Shrine), or petition for membership in such Masonic Bodies as are recognized in Chapter 2, Section 2 of the Laws of the Grand Lodge or such other bodies as may hereafter be recognized by this

Grand Lodge until he has (1) Signed the bylaws of his lodge, (2) Received instruction in all modes of recognition for the Master Mason Degree and (3) Completed the Systematic Masonic Enlightenment Course as prepared by the Board of Custodians. (*Amended 2002*)

m. Payment of Lodge Dues. The restrictions outlined in the previous subsection are not intended to waive the responsibility of the annual payment of lodge and Grand Lodge dues. Payment of such annual dues becomes due immediately upon Raising.

n. All candidates must be present for the conferral of all three degrees at a Grand Master's One-Day Class. Regardless of any previously conferred degrees, each candidate in a Grand Master's One-Day Class must be present for the conferral of all three degrees, for the instruction following the conferral and for the group examination at a Grand Master's One-Day Class. All provisions for proficiency as stated in subsection l of this section shall prevail for all candidates.

o. One-Day Class Candidates, Who for Unexpected Circumstances, are Unable to Receive or Complete the Degrees on the Day of the Class. Should a candidate for a Grand Master's One-Day Class, for unexpected circumstances, be unable to receive or complete the degrees on the day of the class, he may return to his lodge and complete the work in the traditional manner. His right to participate in a future Grand Master's One-Day Class will remain absolute pending adherence to the above listed sub sections. (*Section 8 added 2001*)

CHAPTER 16 BUSINESS OF LODGES

Section 1. BUSINESS--WHEN TRANSACTED.

All business of a subordinate lodge, except degree work, must be transacted when the lodge is open on the Third Degree. Business of a financial nature may be transacted only at a stated communication.

Section 2. ORDER OF BUSINESS.

The Master and/or the lodge determine the Order for Business. The following items are guidelines in setting meeting agendas.

a. Reports. Included in reports are minutes of the previous stated communication, minutes all intervening communications, Treasurer's report, reports of standing and special committees, and communications. All reports may be distributed prior to the meeting, or they may be read. The information contained in the reports shall be included in the minutes of the meeting.

b. Reports of Committees on Petitions. Reports of committees appointed to visit potential Masons should be presented, and the *fact* of the presentation should be entered on the record. The *substance* or *character* of the report should not be entered on the record.

h. Closing.

(Chapter 16 - Amended 2007)

**CHAPTER 17
RULES OF ORDER IN LODGES**

Section 1. PARLIAMENTARY USAGE.

The parliamentary usage of civil deliberative bodies is not recognized in Masonry, except in so far as it does not conflict with our well-established customs and the time-honored powers of the Grand Master. The parliamentary usage of Masonry is something peculiar to itself. Its outlines are to be found in the Ancient Constitutions, Rules of Order, and the Laws of the Grand Lodge. The sole object of all debate in Grand Lodge or in subordinate lodges is to elicit decisions which shall be for the good of the Craft. Hence, all questions under discussion must be positively determined at the time or final action be postponed to a stated time when the question must again be resumed and finally decided. The formation of "committee of the whole," the call for the "previous question," and all obstructive motions are forbidden.

Section 2. RULES.

The following rules are for the government of subordinate lodges at their communications:

- a.** The principal officer present and, if more than one, the highest in rank, shall call the lodge to order, and then any competent brother may act for him; but the acts of the brother thus called are the acts of the officer. The Master or a Warden must be constantly present in the lodge.
- b.** When a brother rises to speak, he shall respectfully address himself to the Master; and, if he transgresses the rules of the lodge in speaking or otherwise, the Master shall call him to order, when he shall immediately sit down, unless permitted to explain.
- c.** The action of the lodge should be invoked by motion only in case there is something for the lodge to decide; that is, where it can legally say "yes" or "no" to a proposition or question. If the lodge must vote "yes," then no vote is necessary; the Master must act without a vote. No motion to appoint a committee on a petition for degrees or membership is necessary. When such petition is received, a committee must be appointed. No motion to spread the ballot is necessary; at the proper time it must be spread.
- d.** When a motion is made and seconded, it shall be stated by the Master, or, if in writing, shall be read by the Secretary. Debate may follow.
- e.** Every motion shall be reduced to writing if any member desires it.
- f.** After a motion is stated by the Master or read by the Secretary, it shall be considered in possession of the lodge and cannot be withdrawn save by permission of the lodge.
- g.** No brother shall be permitted to speak more than twice on any question without leave, nor more than once until every other brother wishing to speak has spoken. When two or more rise at the same time to speak, the Master shall name the brother who shall speak first.
- h.** When a motion is under debate, no motion shall be received except to amend it, to refer it to a committee, or to postpone final decision until a future meeting.
- i.** Any member may call for a division of the question, where the nature of the subject will permit.
- j.** Motions and reports may be referred to committees at the discretion of the Master.
- k.** A motion to amend, until decided, shall preclude all other amendments of the main question.

l. No new motion, which totally changes the subject matter on which the original motion was intended to operate, shall be submitted under color of amendment or as a substitute for the motion under debate.

m. The debate ceases at the will and pleasure of the Master.

n. While the Master is addressing the lodge or putting the question, or a brother is speaking, no brother shall engage in private discourse or pass between the speaker and the chair.

o. All members shall keep their places except the Marshal and Deacons, who may move from place to place in the discharge of their duties.

p. There shall be no debate after the question is put by the Master.

q. Every member present when a question is put shall be required to vote if entitled to do so, unless excused by vote of the lodge.

r. All matters before the lodge for determination shall be decided by a majority vote except where otherwise provided by law.

s. No member except one of the majority which decided a question shall be permitted to move for a reconsideration of such question. In case of a vote by paper ballot, any member may move for a reconsideration.

t. No appeal lies to a subordinate lodge from a decision of its Master. His decision can only be reviewed by the Grand Master during the recess of the Grand Lodge, subject to final action by the Grand Lodge at its regular communication, or by appeal directly to the Grand Lodge. Such appeal can be taken only by the person or persons against whom the decision is made. It may not be taken by any other member of the lodge who may differ from the Master in judgment. This subsection has no application to proceedings upon charges for unmasonic conduct.

CHAPTER 18 VOTING IN LODGES

Section 1. VOTING.

Voting in a subordinate lodge shall be by show of hands or by ballot. Unless the law requires a vote by ballot, it may be taken by show of hands, or the lodge may direct that the vote be taken by paper ballot.

Section 2. PAPER BALLOTS.

In all cases where a ballot is required but the term "secret" is not used, it may be taken by the use of paper ballots, and in such cases blanks shall not be counted.

Section 3. SECRET BALLOT.

a. Defined. The term "secret ballot," as used in the Code, shall mean the use of white balls and black cubes of the same composition and weight and with a ballot box so arranged that the character of an individual ballot shall not become known.

b. Reconsideration Forbidden. A motion to reconsider a secret ballot is illegal and cannot be entertained.

c. Voting Required. Every member present when a secret ballot is taken shall vote, if entitled to do so, unless excused by the unanimous consent of the lodge.

d. Secrecy. In case a secret ballot is taken and the candidate rejected or the proposition lost, it is declared to be unmasonic for any brother to purposely make known the character of his vote or to purposely seek out the character of another's vote or, if known to him, to reveal it to another, it being the intention hereof to preserve to the lodge and the Craft the full benefits and results of a secret

ballot. Each member voting is the sole judge of what his vote shall be, and he shall not be questioned therefore or on account thereof.

CHAPTER 19 BOOKS AND RECORDS

Section 1. GENERAL.

Upon being chartered, every lodge is required to procure, open, and keep a set of books of record and finance, including an account with each member, and such other books as are required by other sections of this chapter.

Section 2. BYLAWS FOR SIGNATURE.

Every chartered lodge is required to keep a copy of the bylaws of the lodge in a book. The signature of every member of the lodge should be affixed to the bylaws.

Section 3. REGISTER OF MEMBERS.

Every lodge of the jurisdiction is required to keep a register, in which shall be entered the name of each member; the place and date of his birth; the date of his coming to Iowa; the dates of his initiation, passing, and raising; the name, number, and location of the lodge conferring the degrees; the dates of admission, demission, dropped from the roll, suspension, expulsion, restoration, or death, together with such other items of personal history as the lodge may desire to preserve.

Section 4. SUSPENSIONS AND EXPULSIONS.

Every chartered lodge shall keep a book in which shall be recorded the name of each member expelled or suspended by the lodge, with the date of his expulsion or suspension. The record shall be open to inspection.

Section 5. MINUTES.

a. Stated Communications. The minutes of a stated communication should be read and corrected before the lodge is closed and should then be signed, if properly recorded in the record book. If not so recorded, they may be later signed by the Master and Secretary. The reading of the minutes at the next stated communication is not for approval, but to bring forward unfinished business and for the general information of the lodge.

b. Special Communications. The minutes of intervening communications for work, funerals, or festivals, shall be made under the direction of the Master and shall be read for approval at the next stated communication.

c. Correction. Correction when unquestioned shall be made by order of the Master; if questioned, by motion and a vote of the lodge. The minutes of a lodge should not be changed by erasure or interlineation. If the minutes are to be changed, there should be a supplemental record stating the change or correction made.

CHAPTER 20 RETURNS OF CHARTERED LODGES

Section 1. FISCAL YEAR.

The fiscal year of subordinate lodges in this Grand Jurisdiction is from January 1st to December 31st inclusive.

Section 2. FORMS.

The Grand Secretary shall, during the month of November in each year, forward to the Master or Secretary of each lodge sufficient copies of forms for returns of his lodge during the ensuing year. The reporting period shall be monthly and must be twelve (12) in number during the year. The month must be indicated on the return.

Section 3. OFFICER'S DUTIES.

Immediately after the last day of each month, the Master and Secretary, or the brothers who are acting as such at the close of the preceding month, shall enter or cause to be entered on the forms a record of the work during the preceding month. Such reports must be filed even though the lodge did not meet or do any work.

Section 4. REQUIRED INFORMATION.

The information to be entered on the returns shall include initiations, passings, raisings, admissions, reinstatements and restorations; also all demissions, deaths, expulsions, suspensions, and dropped from the roll, giving names in full with the respective dates; also such other information as may be called for by the Grand Secretary on such forms.

Section 5. DISPOSITION OF COPIES.

Copies of the returns shall be signed by the Secretary or Master and under seal of the lodge. The original shall be sent to the Grand Secretary and a copy shall be filed with the permanent records of the lodge.

Section 6. TIME LIMIT.

It is the special duty of the Master and Secretary in each lodge to see that the original of the returns is forwarded to the Grand Secretary in time to be received by him, in the ordinary course of mail, not later than the 10th of the month following the month for which the return is made.

Section 7. DELINQUENT RETURNS.

a. Procedure.

(1) **Grand Secretary's Duty.** In case such returns are not received by the Grand Secretary on or before the 10th of the month, following the month for which the returns are due, the Grand Secretary shall immediately notify the Lodge Service Committee of the name and number of the lodge together with the names of the Master and Secretary thereof whose duty it was to make said returns.

(2) **Lodge Service Committee Duty.** It shall be the duty of this Committee, as specified in Chapter 11, Section 12 of the Laws of the Grand Lodge, to make investigation of the causes of delinquency and report their findings to the Grand Master.

(3) **Grand Master's Duty.** The Grand Master shall, after receiving the report of the Lodge Service Committee, notify each of said brothers charged with making the returns to show cause to him, within such time as he may designate, why he should not invoke the penalties hereinafter provided for failure to make returns.

(4) **Penalties Invoked.** If the brothers so notified fail to respond to said notice to show cause, or in responding fail to make a showing satisfactory to the Grand Master, he shall immediately invoke against the Master the penalty of being deprived of the honor of a Past Master, and against both the Master and Secretary the disqualification from holding any elective office in a lodge or being a representative in the Grand Lodge. He shall also promptly notify them of this action and make a record

thereof with the Grand Secretary. Such penalties shall continue in force until removed by the Grand Master or the Grand Lodge upon good cause shown.

b. Lodge or Lodge Officer at Fault. If after full investigation and findings it appears that the Master and/or Secretary are at fault, the Grand Master may arrest the jewel of either or both of these officers. If the Grand Master finds these officers without fault and the fault lies with the lodge, he may suspend the lodge from further labor. The Grand Master shall report his action at the next annual communication of the Grand Lodge.

c. Disqualifications Removed. In the event the Grand Master finds the Master, the Secretary, or the lodge without fault, the disqualification of the one or ones without fault shall be removed and he or they restored to their former status upon properly complying with above regulations.

Section 8. INSPECTION OF RETURNS.

It shall be the prerogative of the Lodge Service Committee to examine any lodge records, at the Grand Secretary's office, which the Committee feels would assist them in their work.

Section 9. CORRECTION.

In case returns are found to contain errors, the Grand Secretary shall correspond with the Master or Secretary of the lodge whence it came, calling attention to the errors. The Master or Secretary shall at once cause proper correction to be made on his copy of the returns and shall promptly forward to the Grand Secretary correct information to be attached to and become a part of the returns of that lodge in the office of the Grand Secretary. Thereafter all returns shall be submitted to the Lodge Service Committee, who shall make report thereon to the Grand Lodge, as by law provided.

Section 10. SECRETARY OF COMMITTEE.

To assist the Chairman of said Committee in the discharge of his duties, the Grand Secretary shall appoint a member of his office staff to act as Secretary for said Committee.

CHAPTER 21 JURISDICTION OF LODGES (PETITIONERS)

Section 1. TERRITORIAL JURISDICTION.

The territorial jurisdiction of each lodge in this State shall include the entire State, and a qualified petitioner may petition any lodge within this State.

No lodge shall act upon a petition for any of the degrees by any person who is not a resident of the jurisdiction of the State of Iowa without consent of the lodge or lodges within whose jurisdiction the petitioner resides. The residence, to justify election to degrees or to membership, means that it must be, and has been, in good faith the home of the petitioner.

Section 2. WAIVER OF TERRITORIAL JURISDICTION.

a. Required. A lodge which receives and desires to entertain a petition for the degrees of Masonry or for membership from a qualified resident of the jurisdiction of another Grand Lodge shall at once appoint a committee of investigation. After the appointment of the investigating committee, the Secretary shall, at once, in writing, via the Grand Secretary, on the form provided by the Grand Secretary, request the Grand Lodge having jurisdiction to waive such jurisdiction in its favor. No ballot shall be taken on such petition until the lodge shall, in writing, receive the waiver of jurisdiction.

b. Referred. If a request for a waiver of jurisdiction over a petitioner for the degrees or for membership is received from a lodge in another Grand Jurisdiction, the proposal shall be submitted to the Grand Master, and his determination of whether or not the waiver is granted shall be final.

Section 3. EXERCISE OF JURISDICTION.

a. Timely Residence. No lodge shall possess any jurisdiction over any petitioner for the degrees of Masonry until he shall have resided six months within the jurisdiction of the Grand Lodge of Iowa.

b. Vesting. The lodge takes jurisdiction when a petition for the degrees is presented and a committee to investigate is appointed. The removal of the petitioner before such appointment deprives the lodge of jurisdiction, and no further proceedings shall be allowed. After the appointment of such committee, a removal from the Grand Jurisdiction does not divest the lodge of jurisdiction, and the lodge should proceed as if there had been no removal.

c. Authority to Confer Degrees. Every regular lodge, whether working under Charter or Dispensation, shall have the right to confer the degrees of Entered Apprentice, Fellow Craft, and Master Mason upon all qualified petitioners after timely residence in the State of Iowa as provided by law, subject to Masonic usages and the provisions of this Code.

d. Courtesy Work.

(1) Lodges in this Grand Jurisdiction may confer degrees for each other by mutual agreement.

(2) Lodges in this Grand Jurisdiction may confer degrees for a lodge in another Grand Jurisdiction if approved by the Grand Masters of both concerned Grand Jurisdictions.

e. Rejected Petitioner. The doctrine of perpetual jurisdiction over rejected petitioners, either within or without this Grand Jurisdiction, is not recognized by the Grand Lodge of Iowa. When a petitioner is rejected, that lodge loses all jurisdiction over him. However, if a petitioner is rejected in one lodge, no other lodge shall receive a petition for the degrees from such petitioner within six months thereafter even though the jurisdiction is concurrent.

Section 4. PETITIONER FOR AFFILIATION.

Each lodge has jurisdiction to receive and act on the petition for affiliation of any Master Mason who has resided for six months within the State of Iowa. In the case of dual or plural memberships, the residence requirement need not be met.

CHAPTER 22 PETITIONER FOR THE DEGREES

Section 1. QUALIFICATIONS.

a. General. The qualifications for a petitioner are: faith in God, hope in immortality, and charity (love) to all mankind. Further, the petitioner shall be a man, free-born, of good repute, shall have attained the age of eighteen (18) years at the time his petition is received, and except as otherwise provided by law, shall have resided for the space of six months in the State of Iowa immediately prior to the date the petition is received.

b. Physical. A man, to be eligible for the degrees, must be able to conform to all the ceremonies required in the work and practice of Masonry. The substitution of artificial parts or limbs for portions of his natural person shall not be a bar; provided, such parts or limbs are under practical control of the petitioner. Blindness, deformities or blemishes of the natural person may or may not be disqualifications, depending on the nature and extent of the same. Masters and lodges will be held strictly accountable for the observance of this law.

c. Dotage. No particular age is conclusive evidence of dotage. With one person it is earlier in life than with another. It is a question for the lodge, having in view the fact that we seek materials for use, not as a waste or an encumbrance.

Section 2. RECOMMENDERS.

The petitioner shall be recommended by at least two Master Masons in good standing who are members of the lodge petitioned.

CHAPTER 22A INVITATION TO PETITION

Section 1. IN LIEU OF PETITIONING PROCEDURE.

In lieu of the regular petitioning procedure as described in Chapters 22, 23, 25 and 26 the following procedure may be used.

Section 2. QUALIFICATIONS.

a. General. The qualifications for a petitioner are: faith in God, hope in immortality, and charity (love) to all mankind. Further, the petitioner shall be a man, free-born, of good repute, shall have attained the age of eighteen (18) years at the time his petition is received, and except as otherwise provided by law, shall have resided for the space of six months in the State of Iowa immediately prior to the date the proposal is submitted.

b. Physical. A man, to be eligible for the degrees, must be able to conform to all the ceremonies required in the work and practice of Masonry. The substitution of artificial parts or limbs for portions of his natural person shall not be a bar; provided, such parts or limbs are under practical control of the petitioner. Blindness, deformities or blemishes of the natural person may or may not be disqualifications, depending on the nature and extent of the same. Masters and lodges will be held strictly accountable for the observance of this law.

c. Dotage. No particular age is conclusive evidence of dotage. With one person it is earlier in life than with another. It is a question for the lodge, having in view the fact that we seek materials for use, not as a waste or an encumbrance.

Section 3. RECOMMENDERS.

The recommenders of a proposal for invitation shall act as the Investigating Committee. They shall be three Master Masons in good standing in the lodge to be petitioned. They shall have known the prospective candidate for a minimum of two years.

Section 4. PROCEDURE.

a. The Three Degrees. A proposal for invitation for the degrees of Masonry shall be for the degrees of Entered Apprentice, Fellow Craft, and Master Mason. A favorable ballot shall elect to the three degrees.

b. Proposal. The top line signer shall present the proposal for invitation at a Stated Communication without the prospective candidate's knowledge.

c. Ballot. A proposal for invitation shall be held over until the next Stated Communication at which time a secret ballot shall be spread. No ballot shall be taken on such proposal for invitation unless there shall be present at least seven members of the lodge who are entitled to vote therein. A unanimous ballot is required for election. The balloting procedure shall be the same as for a regular petitioner.

d. Re-ballot. Should only one negative ballot appear, the Master shall not declare the result but order a re-ballot, and the vote on the re-ballot shall be declared and be final.

e. Rejection or Objection. A negative ballot or an Objection (as outlined in Chapter 27) stops the proposal for invitation. It does not prohibit the proposed candidate from petitioning a lodge in the regular manner.

f. Form. The proposal for invitation shall be the official forms prescribed by the Grand Secretary and signed by the three recommenders. The potential candidate will *not* sign this form. After election the invited candidate must fill out, in its entirety, and sign an official petition as prescribed by the Grand Secretary's Office. The petition, accompanied by the lodge's fee as provided in Chapter 24, must be received and recorded by the lodge secretary before the degrees can be conferred.

g. Exceptions.

1. If the invitee gives a negative answer to the question on the petition "Do you profess faith in a Supreme Being?" the petition is rejected.

2. If the invitee gives a positive answer to either of the questions "Have you previously applied for membership in a Masonic lodge?" or "Have you ever been convicted of a felony?" the petition shall, at the petitioner's request, take the course of a regular petition.

h. Time Limit. If the candidate declines to accept the petition or fails to present himself for initiation within 6 months after the petition is received and recorded by the lodge, the petition is considered to have been withdrawn. Either action shall be made part of the lodge records. This does not prohibit the proposed candidate from petitioning a lodge in the regular manner at a future date. *(Added 2001)*

CHAPTER 23 PETITION FOR THE DEGREES

Section 1. THE THREE DEGREES.

A petition for the degrees of Masonry shall be for the degrees of Entered Apprentice, Fellow Craft, and Master Mason. A favorable ballot shall elect to the three degrees.

Section 2. FORM.

Petitions for the degrees shall be official forms prescribed by the Grand Secretary and shall be signed by the applicant.

A lodge receiving a petition for the degrees shall require the petitioner to state if he has previously petitioned a lodge for the degrees, or any of them. If he has so petitioned, he shall give the name and location of the lodge and what action was taken on said petition, in so far as he is able.

Section 3. RECEPTION.

The petition, with the required fee, shall be deposited with the Secretary. No lodge in this jurisdiction shall receive a petition for the degrees of Masonry except at a stated communication.

Section 4. WITHDRAWAL OF PETITION.

A petitioner for the degrees may withdraw his petition before reference to a committee, but not thereafter.

CHAPTER 24 FEES FOR THE DEGREES

Section 1. FEES.

a. Minimum Fees. No lodge shall confer the three degrees for less than fifty dollars (\$50.00), but more may be charged at the discretion of the lodge. Any lodge may provide for partial payment of such fees in its rules or bylaws. In such a case no less than one-half of the required fee shall accompany the petition and the remainder shall be paid before the degree of Fellow Craft is conferred. In no event shall any part of the fees be waived.

b. Area Minimum Fees. At the request of and after affirmative action by a majority of the lodges in municipalities or counties having three or more lodges, the Grand Master shall establish the minimum fee to be charged by the lodges in such municipality or county, as requested by such lodges. The minimum fee shall not be less than the minimum fees provided in Section 1a of this Chapter. Such minimum fee shall be effective on all petitions received by said lodges after the date of the notification by the Grand Master that such fees have been fixed.

c. Fees for Courtesy Work. When degrees are conferred by request for a lodge of a foreign jurisdiction, no fee shall be charged for such fraternal service. However, when the foreign jurisdiction makes a charge for like service for an Iowa lodge, then the Iowa lodge may make such reasonable charge for the service as may be agreed upon by the lodges concerned.

Section 2. REFUND OF FEES.

a. Not Legally Received. Fees paid to any lodge by one who is not eligible to receive the degrees are not legally received and shall be refunded to the petitioner.

b. Legally Received. Where a lodge has legally received fees for the degrees and the petitioner elected, the lodge shall not be required to refund the same or any part thereof, but it may do so for degrees not conferred by it. Such fees may be paid to any lodge that shall initiate or advance the petitioner.

c. Petitioner Rejected. If the petitioner is rejected, the fee advanced shall be returned to him.

Section 3. GRAND MASTER'S ONE-DAY CLASS:

There will be an additional Grand Master's One Day Class Fee not to exceed \$100. (*Added 2001*)

CHAPTER 25 INVESTIGATING COMMITTEE

Section 1. APPOINTMENT.

On the reception of a petition the Master shall appoint a committee of three to inquire into the character and fitness of the petitioner to be made a Mason.

If the petitioner's residence is more than twenty-five (25) miles from the lodge hall of the lodge being petitioned, the Master may request the Master of the lodge nearest his residence to appoint the investigating committee. In case there is more than one lodge equidistant from the petitioner's residence, then any one of these may be selected. The Master of the lodge so designated shall immediately appoint such a committee.

Section 2. DUTY.

It is the duty of this committee to make diligent inquiry into the character and habits of the petitioner. In case the committee is convinced that the petitioner is barred by reason of age or residence, such fact shall be specially reported, and the Master shall order the petition returned to the petitioner without ballot. In case a petition is so returned such fact shall be made known to the petitioner, and he may again petition whenever the requirements of the law are met.

Section 3. REPORT.

If the committee is one appointed by a lodge other than the one being petitioned as provided in Section 1 then their report shall be sent to the Secretary of the lodge petitioned within thirty (30) days. If the committee appointed is from the lodge petitioned, its findings shall be reported at the next stated communication of the lodge, unless further time is granted by vote of the lodge.

The committee may report any information it has obtained which the members present should have to guide them in casting their ballots, but this information is strictly confidential and should not be entered of record either on the petition or in the minutes.

CHAPTER 26 BALLOT ON PETITIONER

Section 1. WHEN TAKEN.

No ballot shall be taken on a petition for the degrees until the next stated communication after its presentation.

Section 2. QUORUM.

No ballot shall be taken on such petition unless there shall be present at least seven members of the lodge who are entitled to vote therein.

Section 3. POSTPONED.

After the report of the committee on a petition for the degrees, the Master may at his discretion postpone the ballot thereon until the next stated communication. However, there shall be no further postponement except by unanimous consent of the lodge.

Section 4. PROCEDURE.

After the report of the committee, whether favorable or unfavorable, there shall be a secret ballot, which shall be as follows:

a. The Master shall order the Senior Deacon to spread the ballot. The Senior Deacon, after satisfying the Master and the Wardens that the ballot box is properly prepared, shall pass it to the Master, who shall then announce the name of the candidate whose petition is about to be balloted upon stating that white balls elect and black cubes reject, requesting all members who favor the reception of the candidate to deposit a white ball and all who oppose his reception to deposit a black cube, and cautioning them to be careful to avoid mistakes.

b. The Master shall then cast his ballot, and the Deacon shall pass the box to the Senior and Junior Wardens in turn, who shall each cast his ballot.

c. The box shall then be placed upon the altar, or upon a pedestal near the altar, and the other officers in turn and members present in good standing shall approach and cast their ballots.

d. When all have voted, the Deacon shall exhibit the ballot, first to the Junior Warden, then to the Senior Warden, and finally to the Master. If the Master finds the ballot clear or that there is more than one negative vote, he shall ask the Wardens how they find the ballot, and not until then shall he proclaim the result.

Section 5. REBALLOT.

Should only one negative ballot appear, the Master shall not declare the result but order a rebalLOT, and the vote on the rebalLOT shall be declared and be final.

Section 6. REBALLOT AFTER REJECTION.

If a petitioner for the degrees shall be rejected by ballot and so declared, there shall be no other ballot on said petition, except on dispensation from the Grand Master. Such dispensation shall contain a proviso that all members present at the time of rejection shall be notified to be present at the rebalLOT. However, no such rebalLOT shall be had after six months from the date of rejection.

Section 7. NOTICE OF RESULT.

The Secretary of the lodge shall notify the petitioner of the action on his petition.

Section 8. GROUP BALLOTING

a. When balloting upon two or more petitions the Master shall determine whether a separate ballot shall be taken on each petition or whether the entire group shall be balloted upon collectively.

b. When group balloting is employed, the Master shall read the names of the petitioners with the essential information about each as supplied by the petition, and the report of the Investigating Committee. A ballot shall then be taken in the usual manner on the petitions collectively, and if no black cube appears, each petitioner shall be declared elected. If one or more black cubes appear, the Master shall either direct individual ballots or divide the names of the petitioners into groups. The Lodge shall then proceed to ballot in the usual manner on each individual or on each group. The Master shall declare each petitioner in a group elected if no black cube appears. This procedure shall continue until all petitions have been balloted upon. (*Amended 2002*)

CHAPTER 27 OBJECTION TO PETITIONER

Section 1. OBJECTION.

a. Provision. Any member of the lodge entitled to vote, whether present when the ballot was taken or not, may, at any time after reception of the petition and before the candidate is received, object secretly to the Master or to a Warden acting as Master to such candidate's initiation.

b. Report. Whenever such objection shall have been made, the fact thereof, without the name of the objector, shall be at once reported by the Master to the Wardens and to the Secretary.

c. Effect. Such objection, when made, shall have the same effect as an unfavorable ballot. If made before ballot is taken, no ballot is required.

d. Master's Announcement. At the next stated communication the Master shall announce such objection and declare the candidate rejected.

e. Record. Such announcement and declaration of the Master shall be entered on the minutes of the communication.

f. Identity of Objector. It shall be unmasonic for the Master or a Warden acting as Master to disclose the name of the objector, or for the objector to disclose his identity. The right to object does not cease until the candidate is received. If the lodge has been opened for the initiation of a petitioner, the objection should be made to the Master or the Warden acting as such with as much secrecy as then possible and being so lodged further proceedings are stopped.

Section 2. PETITION RENEWED.

No lodge shall receive the petition of a candidate who has been rejected by ballot or whose initiation has been prevented by objection within six months from the date of such rejection as it appears of record, but may thereafter if the petitioner is otherwise qualified.

CHAPTER 28 CONFERRAL OF DEGREES

Section 1. WHEN CONFERRED.

The degrees may be conferred at either stated or called communications or a Grand Master's One-Day Class as provided for in Chapter 15, Section 8 of the Laws for Subordinate Lodges. All Brothers must pass a satisfactory examination on the preceding degree before the Second or Third Degree is conferred. (*Amended 2001*)

Section 2. FAILURE TO COME FORWARD.

Should an elected petitioner fail to present himself for initiation within six months, his election shall be void and the fee deposited forfeited to the lodge. However, the lodge may in its discretion return such fee. Additionally, if such failure is because of an absence in the military or naval service of the United States Government, or in the service of the Red Cross, the petitioner may present himself for initiation within six months after his discharge from such service.

Section 3. QUESTIONS TO CANDIDATES.

Before the candidate may enter the lodge for initiation, he shall plainly and unequivocally give his assent to these three questions:

a. "Do you seriously declare, upon your honor, that, unbiased by friends and uninfluenced by mercenary motives, you freely and voluntarily offer yourself a candidate for the Mysteries of Masonry?"

b. "Do you seriously declare, upon your honor, that you are prompted to solicit the privileges of Masonry by a favorable opinion conceived of the Institution, a desire of knowledge, and a sincere wish of being serviceable to your fellow creatures?"

c. "Do you seriously declare, upon your honor, that you will cheerfully conform to all the ancient established usages and customs of the Fraternity?"

Section 4. LECTURES AND ADMONITIONS TO BE GIVEN.

a. **Lectures.** Whenever any degree is conferred, it is the duty of the Master to give, or cause to be given, the lecture pertaining to such degree.

b. **Admonition.** The following is to be read by the Master after the conferring of the First Section of the Third Degree and before the conferring of the Second Section of the Third Degree.

"A Brother is about to be raised to the Sublime Degree of a Master Mason. This section of the degree could well be one of the richest experiences of his life, as it, symbolically, teaches Masonry's belief in the immortality of the soul.

"To properly impress the Brother with the seriousness of this ceremony, there must be no talking, laughing or other distraction, as the Temple, in this portion of the degree, is supposed to be silent and unoccupied.

"Only the participants in the drama are to speak, and they are instructed to make no gestures, or use any unnecessary roughness which might induce levity.

"An adherence to these instructions will help serve as an impressive climax to the Brother's advancement to the last and highest grade of Ancient Craft Masonry."

Section 5. APRON.

Every lodge in the jurisdiction is required to present a lambskin or white leather apron to each candidate at his initiation.

CHAPTER 29 PROFICIENCY

Section 1. DEFINED.

The term “proficiency” as used in this Chapter shall mean a satisfactory review of the Systematic Masonic Enlightenment Course as prepared by the Board of Custodians for each degree. The Systematic Masonic Enlightenment Course for each degree shall include

instruction on the obligation and all the modes of recognition (signs, words, passes, and/or grips) appropriate to that degree.

The term “mentor” as used in this Chapter shall mean the brother or brothers assigned to review the Systematic Masonic Enlightenment Course with the new brother. The mentor shall be a member of the Lodge’s Education Committee, or another suitable brother appointed by the Worshipful Master.

Section 2. REQUIRED.

Each brother having attained to a degree in Masonry is expected to obtain a determination of proficiency in that degree as soon as possible.

Section 3. REVIEW.

a. When Held. The review shall be conducted by the mentor or mentors assigned for the new brother.

b. Where Held. The review shall be held at a time and location convenient to the mentor and the brother being reviewed.

c. How Performed. The new brother shall be asked to read the course material in advance of the review. During the review, the new brother and the mentor will review the written material, and the discussion questions. Each question shall be discussed, to ensure that the brother being reviewed understands the material. The obligation of the degree shall be reviewed in its entirety to ensure that the new brother understands his obligation to himself and to his brethren. (Memorization of the obligation by the new brother is NOT required.) The modes of recognition for the degree shall be taught to the new brother. The new brother shall be given an opportunity to ask any question he may have.

Section 4. HOW DETERMINED.

Following completion of the review, the mentor shall report to the members of the lodge at a Tyled Communication that the brother has successfully reviewed the Systematic Masonic Enlightenment Course. The Secretary shall record the report in the minutes of the lodge. This action shall confirm the “determination of proficiency” as adjudged by the mentor.

Section 5. RESTRICTIONS PRIOR TO PROFICIENCY.

An Entered Apprentice or Fellow Craft may not be advanced to a higher degree until he has made suitable proficiency in the degree or degrees he has already received. A Master Mason must be proficient in the Third Degree before he can vote, hold office, serve on committees, demit from his lodge, petition another lodge for dual or plural membership, petition for membership in the Ancient Arabic Order of the Nobles of the Mystic Shrine (the Shrine), or petition for the degrees or membership

in such Masonic Bodies as are recognized in Chapter 2, Section 2 of the Laws of the Grand Lodge or such other bodies as may hereafter be recognized by this Grand Lodge.

The proficiency requirements in this Section applying to the advancement of Entered Apprentices or Fellow Crafts shall not apply to brothers who are advanced in Grand Master's One-Day Classes. The proficiency requirements stated in Chapter 15, Section 8, Subsections k and l of the Laws for Subordinate Lodges shall prevail for those brothers.

CHAPTER 30 ADVANCEMENT

Section 1. RIGHT.

An Entered Apprentice or a Fellow Craft, unless resting under charges of unmasonic conduct, under legal disability, or debarred by the provisions of the following section, is entitled to advancement on making suitable proficiency as provided for in the preceding chapter.

Section 2. NOT STAYED.

After reception of the petitioner in the First Degree, his advancement shall not be stayed, except for cause, and in the manner provided by law.

Section 3. TIMELY ADVANCEMENT.

If a brother seeks advancement within six months after his initiation or passing, no formal application is necessary. He may present himself for advancement at any communication of the lodge, and, if he has been adjudged proficient, he should be advanced at a time convenient to the lodge and himself. Should such brother fail to present himself for passing or raising within six months after initiation or passing, he must, in writing, petition the lodge for advancement. Such petitioner must become proficient in the preceding degree before he may petition for advancement. In either case (timely or untimely) should the brother wish to complete his Degrees in a Grand Master's One-Day Class as provided in Chapter 15, Section 8 of the Laws For Subordinate Lodges, the requirements for proficiency in this section will be replaced by the provisions for proficiency as stated in Chapter 15, Sections 8k and 8l of the Laws for Subordinate Lodges.

If an Entered Apprentice or a Fellow Craft fails to present himself for advancement because of absence in the military or naval service of the United States Government, or in the service of the Red Cross, he may present himself within six months after his discharge from such service. (*Amended 2001*)

Section 4. PETITION FOR ADVANCEMENT.

A petition for advancement must be presented at a stated communication and be acted upon at the same stated communication. On such petition, there need be no recommendation nor committee of investigation appointed. No such petition may be entertained unless fees have been paid in full. A two-thirds vote by secret ballot shall elect for advancement.

Section 5. EXTINGUISHED LODGE.

An Entered Apprentice or Fellow Craft in good standing whose lodge is extinct may petition a lodge in whose jurisdiction he resides for the remaining degree or degrees, stating in his petition the name, number, and location of his lodge when in existence. Such petition shall take the course of that of a profane for the degrees. A favorable unanimous secret ballot shall entitle him to receive the remaining degree or degrees. The status of the brother is the same as if he had been initiated in such lodge. Such petitioner must become proficient in the preceding degrees before he may thus petition for

advancement. Should the brother desire to be advanced in a Grand Master's One-Day Class, proficiency in the preceding degree(s) will not be required. (*Amended 2001*)

Section 6. CHARGES PREFERRED.

a. Advancement Stayed. If charges are preferred against an Entered Apprentice or a Fellow Craft, his advancement is thereby stayed pending proceedings thereon, as elsewhere provided in this Code.

b. Acquittal. If on trial of the charges he is found not guilty, he shall be advanced as though no charge had been preferred.

c. Verdict of Guilty. If he is found guilty and suspended or expelled, he can be advanced only after reinstatement. A punishment by reprimand shall not operate to stay advancement.

Section 7. EXPELLED OR SUSPENDED CANDIDATE.

An Entered Apprentice or a Fellow Craft who has been expelled or suspended cannot be advanced in any lodge of this jurisdiction until after reinstatement in the lodge by which he was expelled or suspended, or by the Grand Lodge, in cases provided therefore.

**CHAPTER 31
ADVANCEMENT IN OR FROM
ANOTHER GRAND JURISDICTION**

Section 1. IN ANOTHER GRAND JURISDICTION.

When a qualified resident of Iowa removes to another Grand Jurisdiction before he receives degrees to which he has been elected, his lodge in this jurisdiction may use its discretion as to granting permission or authority for advancement there. This Grand Jurisdiction asserts no claim to an exclusive right to advance an Entered Apprentice or a Fellow Craft made or passed in this jurisdiction whose lodge is extinct and whose residence is changed to another Grand Jurisdiction.

Section 2. FROM ANOTHER GRAND JURISDICTION.

Entered Apprentices or Fellow Crafts of a lodge in a foreign jurisdiction shall be advanced for membership in a lodge in this jurisdiction only after permission granted under the laws of such foreign jurisdiction, provided that an Application for Advancement and Membership has been filed with the Iowa lodge. The petition shall be referred to a committee, as in the case of a petition by a profane, and a unanimous vote by secret ballot shall elect to the unconferrred degree or degrees. No lodge of this jurisdiction shall advance an applicant from another jurisdiction without following this procedure. A lodge of this jurisdiction may, by the consent or at the request of the parent lodge in the foreign jurisdiction, advance a brother for membership in such foreign lodge as a courtesy to the foreign lodge.

The right of an Entered Apprentice or Fellow Craft, made so in a foreign jurisdiction, whose lodge is extinct, to petition for advancement in this jurisdiction shall depend upon the laws of the jurisdiction from whence he came.

**CHAPTER 32
AFFILIATION**

Section 1. RIGHT.

a. The right of every Master Mason residing in Iowa to apply for membership in the Iowa lodge of his choice is absolute.

A former member whose non-affiliation is due to demission only may, regardless of his residence, apply for membership in any Iowa lodge in which he formerly held membership.

However, any Master Mason who has been expelled, suspended, or dropped from the rolls for nonpayment of dues must be reinstated or restored under the law of his Grand Jurisdiction before he may petition for membership in this Grand Jurisdiction.

b. Should any brother holding a valid demit issued by the Most Worshipful Prince Hall Grand Lodge F. & A.M. of Iowa and Jurisdiction, Inc. wish to affiliate as a single member in any lodge chartered by this Grand Lodge, the certificate of demission must be attached to his petition for affiliation and presented to the Iowa lodge with which he desires to affiliate. The affiliation procedure for such petition is outlined in Section 2 of this Chapter. (*Added 2000*)

Section 2. PROCEDURE.

a. Form of Petition. A petition for membership, as provided in this chapter, shall be on an official form prescribed by the Grand Secretary and shall be signed by the petitioner, who shall be recommended by at least two Master Masons in good standing who are members of the lodge applied to, and substantially as set out in the Official Form for Petition for Affiliation.

b. Reception of Petition. No petition for affiliation shall be received save at a stated communication of the lodge, and not then unless the petitioner shall have satisfied the Master that he is a Master Mason, by the methods required for visitation. No lodge shall act on a petition for affiliation unless the petition is accompanied by documents specified in this chapter.

c. Reference of Petition. The required conditions having been met, the petition may be received. Thereupon the Master shall, without any action by the lodge, refer the petition to a committee of three members of the lodge for investigation and report.

d. Committee's Duty. Such committee shall make diligent inquiry so as to acquire full information regarding the character and Masonic standing of the petitioner and make its report at the next stated communication of the lodge, unless further time is granted by the lodge.

e. Secretary's Duty. The Secretary shall enter on the minutes the fact that the report was made, but neither the report nor its character may be so entered.

f. Withdrawal of Petition. The petition for affiliation may be withdrawn by the petitioner at any time before a vote thereon is taken.

g. Ballot.

(1) After the report of the investigating committee, whether favorable or unfavorable, a secret ballot shall be taken thereon.

(2) A favorable ballot of two-thirds of the members present shall be necessary to elect.

Section 3. ELECTION PRIOR TO DEMISSION.

a. Petitioner an Affiliate. If the petitioner is an affiliated Master Mason petitioning for membership, he shall file with his petition:

(1) A written application to his lodge for a demit if his application is for a regular affiliation or a certificate of good standing if he is petitioning for a dual or plural affiliation.

(2) A certificate or receipt, under the seal of the lodge in which he holds membership, showing that his dues for the current year are paid in full.

If the petitioner is elected and the application for demit is not received before the following January 1st by the lodge in which the petitioner has held membership, annual dues for such following year shall be paid by him to the lodge granting such demit.

b. Application for Demit Forwarded. If the petitioner is an affiliated Master Mason and is elected to membership in the lodge petitioned, the Secretary thereof shall immediately forward his

application for a demit to the brother's lodge, where it shall take the usual course of such an application as provided in Chapter 36 of the Laws for Subordinate Lodges and be subject to the same conditions.

c. Demit Issued. If the brother is entitled to a demit, it shall be issued, and when received by the lodge which elected him to membership, the Secretary thereof shall file it with the petition and enter the brother's name as a member of the lodge petitioned as of even date with the certificate of demit.

d. Demit not Issued. If the brother is not entitled to a demit, it may not be issued, and the Secretary of the lodge shall so notify the lodge which has forwarded the application. In that case his election to membership shall be considered cancelled, but he may again petition when he becomes entitled to the demit.

e. Withdrawal Forbidden. After a brother has petitioned a lodge for membership and has been elected prior to demission, he may not withdraw his petition for affiliation even though his demit has not yet been granted.

f. Lodge Extinct. If at the time of his election his lodge is extinct, he must present a certificate or similar document showing good standing at the time his lodge became extinct, as provided in Section 4a of this Chapter. If he has no such certificate and if the Grand Lodge under whose jurisdiction such extinct lodge was acting is also extinct but was at the time of such extinction recognized by this Grand Lodge, the petitioner must present evidence which satisfies both the lodge petitioned and the Grand Master that such Grand Lodge is in truth and fact extinct. If both are satisfied, that fact must be entered on the lodge record. The application may then be accepted and acted upon.

g. Petitioner Rejected. If the petitioner is rejected, his demit, or his receipt for dues and application for demit, shall be returned to him.

Section 4. ELECTION AFTER DEMISSION.

If the petitioner is one whose membership in a recognized lodge has been severed by demission, he must accompany his application with any one of the following:

a. Demit or Certified Record. Properly certified evidence of his demission from the lodge of which he was last a member or, if such lodge is extinct and his demit lost, a certified record from the Grand Lodge having custody of the records of the lodge granting the demit.

b. Other Evidence. Where such written evidence is not obtainable, other evidence may be accepted, but such other evidence shall not be deemed satisfactory until it shall have been submitted to the Grand Master and approved by him. In the case of written evidence the judgment of the lodge is sufficient, but upon other evidence the judgment of the lodge and that of the Grand Master must concur. The judgment of the lodge as to whether or not the evidence is satisfactory shall be determined by a show of hands in answer to the question by the Master: "Is the evidence of membership satisfactory?" or "Is the petitioner a regularly demitted Master Mason?" according to the facts which are to be determined.

Section 5. FEE NOT REQUIRED.

No fee shall be charged in any subordinate lodge for affiliation.

Section 6. GRAND SECRETARY'S CERTIFICATE.

If a demit is from a Grand Jurisdiction other than Iowa, it must contain the certificate of the Grand Secretary of such jurisdiction, under the seal of that Grand Lodge, to the effect that the lodge granting it is a regularly constituted lodge.

Section 7. DEMIT CANCELLED AFTER ELECTION.

When a petitioner is elected to membership, his demit shall be cancelled and the lodge granting it notified of the affiliation.

Section 8. RENEWED PETITION AFTER REJECTION.

A petition for affiliation may be filed as often as the lodge will receive it.

a. Within Six Months. If a renewed petition is made within six months from date of rejection, it must be to the rejecting lodge.

b. After Six Months. After six months from the date of rejection the petitioner may apply to any lodge he chooses within the jurisdiction of this Grand Lodge.

CHAPTER 33 DUAL AND PLURAL MEMBERSHIPS

Section 1. RIGHT.

This Grand Lodge grants to members of its lodges the right of membership in two or more lodges under certain conditions and restrictions.

Section 2. WITHIN THE STATE.

Any member of a lodge in this state, in good standing, against whom no charges are filed or pending and whose dues are fully paid, may retain such membership and affiliate with other lodges in this Grand Jurisdiction. The procedure shall be the same as outlined in Chapter 32, Section 2 of the Laws for Subordinate Lodges.

Section 3. WITHOUT THE STATE.

When a petition for affiliation is received from a member of a lodge in any other Grand Jurisdiction which has fraternal relations with this Grand Lodge and he desires to retain his membership in a lodge within said jurisdiction thereby becoming a dual or plural member, the petition shall be forwarded immediately to the Grand Secretary of the Grand Lodge of Iowa. No further action shall be taken on such petition until the Grand Secretary shall make a complete investigation and return the petition with his endorsement stating that the Grand Jurisdiction in which such other lodge is located sanctions dual or plural membership and that said petition may be legally received and acted upon. The petition may then be processed in accordance with Chapter 32, Section 2 of the Laws for Subordinate Lodges. If the endorsement is not favorable, the petition and any other attachments thereto shall be returned to the petitioner. A member of an Iowa lodge residing either permanently or temporarily in the jurisdiction of another Grand Lodge with which the Grand Lodge of Iowa has fraternal relations, and which permits dual or plural membership may affiliate with a lodge in that jurisdiction and still retain his membership in Iowa lodges subject, however, to all the requirements and restrictions of the sister or foreign Grand Lodge.

Section 4. TO FORM A NEW LODGE.

Any Master Mason residing within this Grand Jurisdiction and desiring dual or plural membership may join in the Petition for Dispensation for a new lodge, or affiliate with a lodge operating Under Dispensation within this jurisdiction. He shall file with the Grand Secretary through the Secretary of his lodge, in lieu of a demit, a certificate of good standing signed by the Secretary under the seal of the lodge. Said certificate shall contain the full name and address of the member, the dates of his three degrees and where received, together with the name, number and location of his

present lodge, and shall state that his dues are fully paid and that no charges have been preferred or are pending.

Section 5. ADDITIONAL LODGES.

Membership in one or more additional lodges organized in this or another recognized Grand Jurisdiction for the purpose of Masonic research, or lodges organized within this jurisdiction as Memorial Lodges under the provisions of Chapter 4 of the Laws for Subordinate Lodges, shall not be considered dual or plural memberships.

Section 6. FORM OF PETITION.

The form of a petition for affiliation as a dual or plural member shall be substantially the same as prescribed in Chapter 32, Section 2a of the Laws for Subordinate Lodges, with any necessary changes, additions or attachments thereto being prescribed and ordered by the Grand Secretary. A Certificate of Good Standing signed by the Secretary under the seal of the lodge, containing the dates of the three degrees and any other information which is embodied in a regular demit, shall accompany the petition, together with proof that the dues of the petitioner are paid in full.

Section 7. DUTIES OF THE SECRETARY.

When a petitioner for affiliation is elected to dual or plural membership, the Secretary of the receiving lodge shall immediately notify the Secretary of the original lodge giving the name and address of the petitioner, together with the name, number, and address of the lodge in which he acquired said membership. The Secretary of the lodge in which the petitioner has established dual or plural membership shall also notify the Grand Secretary in writing, giving the affiliate's full name, and address, together with the name, number, address and jurisdiction of such other lodge in which the petitioner holds membership.

The Secretary of each lodge in this Grand Jurisdiction shall keep record of dual or plural members of his lodge, listing therein the name, number, and address of such other lodge or lodges in which each dual or plural membership is held.

Section 8. RIGHTS AND PRIVILEGES.

Any member of an Iowa lodge who holds membership in other lodges within or without the state shall have the same rights and privileges and shall be under the same rules and regulations as far as the laws of this Grand Lodge extend as he would if he were a member of only one lodge.

Section 9. LOSS OF MEMBERSHIP.

Whenever a member of an Iowa lodge who holds membership in other lodges shall be suspended for unmasonic conduct, expelled, or withdraws from one lodge, he shall also lose his membership in the other lodges so far as the authority of this Grand Lodge extends. The Secretary of the lodge in which the action is taken shall immediately notify the Grand Secretary of this Grand Lodge. If the other lodges involved are Iowa lodges the Secretary shall also notify the Secretaries of those lodges.

Section 10. RETENTION OF MEMBERSHIP IN ONE LODGE.

A dual or plural member may sever his membership in any lodge by submitting either a signed letter or an Application for Termination of Dual or Plural Membership (*not the same as a Request for Demit*) to the Secretary of the lodge in which he wishes his membership terminated. If all provisions outlined in Chapter 36, Section 2 of the Laws for Subordinate Lodges are met, the termination shall be ordered by the Master and the brother's name shall be removed from the roll as of that date. No

document will be given to the brother requesting termination. If the reason for loss of membership is termination only, and he wishes to retain his membership in another lodge or lodges, he shall immediately notify the Secretary of said lodges expressing his desire to continue his membership therein, and his name shall not be removed from the roll of the lodge as long as he is in good standing and his dues are paid therein. The Secretary of the lodge or lodges in which said member retains his membership shall immediately notify the Grand Secretary, in writing, of his change in status.

Section 11. REINSTATEMENT AND RESTORATION.

All laws pertaining to restoration and reinstatement shall apply to dual or plural members so far as the authority of this Grand Lodge extends. No action shall be taken in his behalf until he shall have paid all indebtedness due all lodges in which he held membership when he was dropped from the roll, suspended, or expelled.

Section 12. DUES, FEES, AND ASSESSMENTS.

A petitioner for affiliation as a dual or plural member in any lodge in this jurisdiction shall not be charged a membership fee, and shall pay the same dues and assessments in each Iowa lodge as a member of only one lodge. A Master Mason who holds a Fifty Year Certificate issued by the Grand Lodge of Iowa shall be exempt from such payments.

**CHAPTER 34
NON-AFFILIATES AND UNAFFILIATED**

Section 1. DEFINED.

a. Non-affiliate. A non-affiliate is one whose membership in a recognized lodge has been severed by demission therefrom or who has within the year been dropped for nonpayment of dues.

b. Unaffiliate. An unaffiliate is one whose membership in a recognized lodge has been severed on account of sentence for offense, who has been dropped from the roll for a longer period than one year, or who has withdrawn from membership under the provisions of Chapter 37, Section 1 of the Laws for Subordinate Lodges.

Section 2. STATUS OF NON-AFFILIATE.

A non-affiliate has the right to receive instruction in the Mysteries of Masonry and may, at the discretion of the Master, be accorded Masonic burial. In addition to these rights, if the non-affiliation is by reason of demission only, the Master of any lodge may permit the non-affiliate to visit any communication of his lodge at any time within the year after the date of demission but not thereafter, and such non-affiliate has the right to petition for affiliation at any time.

If his non-affiliation results from nonpayment of dues, or if more than one year has elapsed since the date of his demission, he shall not be permitted to visit any lodge while he remains non-affiliated.

Under all conditions he shall still be subject to Masonic discipline and remain under those obligations which can never be repudiated or laid aside.

Section 3. STATUS OF UNAFFILIATE.

An unaffiliate is subject to Masonic discipline and remains under those obligations which can never be repudiated or laid aside. He shall have no Masonic right save that of petitioning his lodge for reinstatement.

CHAPTER 35 VISITATIONS OF MASONS AT LODGES

Section 1. AFFILIATES.

a. The right of an affiliate Master Mason to visit a lodge other than his own is discretionary with the Master thereof, having in view the usages of the Craft and the interests of the particular lodge. If objection is made, the Master shall investigate the reasons given and seek other information at his pleasure, and his decision is conclusive.

b. The provisions of this Chapter extend the right of visitation to all lodges under the jurisdiction of the Grand Lodge of Iowa, A.F. & A.M. by Iowa Prince Hall Masons and those from other Prince Hall Grand Lodges that are recognized by their respective Grand Lodges. *(Added 2000)*

Section 2. NON-AFFILIATES.

The right of visitation by non-affiliates shall be governed by the same restrictions as above given, subject, however, to the provisions of Chapter 34, Section 2 of the Laws for Subordinate Lodges.

Section 3. VISITATION RIGHTS OF PRINCE HALL MASONS.

The 2000 Mutual Recognition Resolution between this Grand Lodge and the Prince Hall Grand Lodge F. & A.M. of Iowa and Jurisdiction, Inc. provides for mutual Subordinate and Grand Lodge visitation rights. *(Added 2000)*

Section 4. UNAFFILIATES.

An unaffiliate shall not be permitted to visit lodges.

Section 5. AVOUCHMENT.

It is expressly required that the Master of a lodge shall allow no brother to vouch for another as a Mason unless that brother has sat with him in open lodge or has examined him by authority of such Master.

CHAPTER 36 DEMISSION

Section 1. RIGHT.

a. **Single Members.** Every Master Mason in good standing who is a member of a lodge in this Grand Jurisdiction and not barred by the provisions of this Code is entitled to demit therefrom upon proper application. A Mason of a lower degree than Master is not a member and cannot demit.

b. **Dual or Plural Members.** A dual or plural member who wishes to sever his membership in one lodge while retaining his membership in the other lodge or lodges shall **NOT** be granted a Demit. He shall be required to submit a signed letter or Application for Termination of Dual or Plural Membership, after which such termination shall be granted by order of the Master provided the requirements outlined in Section 2 of this Chapter are met. There shall be no document given to the brother showing his membership termination.

c. **Demits Absolute.** All demits must be absolute except as provided in Section 6 of this Chapter.

Section 2. REQUIREMENTS.

A member may be granted a demit when the following requirements are met:

a. Application in Writing. He must make application therefore in writing over his own signature and file the same with the Secretary.

b. Payment of Indebtedness. He must pay all indebtedness to the lodge, including Grand and subordinate lodge dues, which may be due at the time of the first stated communication at which his application can be acted upon. If the application is filed with the Secretary prior to January 1st, it may be acted upon at the January stated communication, and if a demit is granted, no dues after the first day of January shall be required by the lodge granting the demit.

c. Officer Must Resign. An officer of the lodge must resign his office before making such application.

d. Charges of Unmasonic Conduct. There must be no pending charges of unmasonic conduct against the applicant, nor anyone claiming the privilege of preferring such charges, nor shall the demit be granted if the member asking for the same has been convicted of a felony in a State or Federal Court of competent jurisdiction and such conviction has not been reversed.

e. Proficient. He must have proven his proficiency on the Third Degree or have been admitted from a Lodge Chartered by a Grand Lodge recognized by the Grand Lodge of Iowa.

Section 3. PROCEDURE.

Each application for demission must be presented to the lodge at a stated communication, and if it appears that the foregoing requirements have been met, such application shall be granted by order of the Master and entered of record without vote of the lodge. The Secretary shall then issue the applicant a certificate thereof under seal of the lodge. Such order of the Master, when made and entered of record, cannot be revoked, and from that moment the membership of the applicant ceases.

Section 4. CHARGES.

a. Preferred. If charges of unmasonic conduct are preferred, they shall take the course provided by law. If on trial for the same the accused is acquitted or, if convicted and punished with a reprimand only, then at the first stated communication after acquittal or reprimand a demit shall be issued as provided in Section 3 of this Chapter unless the request for demit has been withdrawn in the meantime.

b. Privileges Claimed. If any member shall claim the privilege of preferring charges against the applicant, then the application shall lie over until the next stated communication of the lodge. At that time, if no charges are preferred and no further time is given by vote of the lodge, the demit shall be issued as provided in Section 3 of this Chapter unless the request for demit has been withdrawn in the meantime.

Section 5. JURISDICTION NOT DIVESTED.

The granting of a demit under the foregoing provisions does not divest the lodge granting it of authority or jurisdiction to try and punish the demitted brother for offenses committed prior to his demission. The usual statement in a certificate of demission that the brother is in good standing means only that he is neither expelled, suspended, dropped from the roll, nor under charges for unmasonic conduct. It does not mean that he is not liable to charges.

Section 6. TO FORM A NEW LODGE.

a. Procedure. When any member of a lodge desires to join with others in forming a new lodge or wishes to affiliate with a lodge operating under dispensation in this jurisdiction and desires to demit for that purpose only and to resume his membership in his old lodge in the event of failure in the formation of such proposed new lodge or of failure to obtain a Charter therefore, he may petition his lodge at a stated communication for demission for such purpose. Such petition shall be subject to the

same restrictions and action as provided in this chapter for absolute demission except that in event demission is granted, the conditional demit shall be transmitted by the Secretary of the lodge directly to the Grand Secretary. The brother's membership in the lodge issuing it will not be terminated until such new lodge is instituted. When the effective date of a conditional demit is received from the Grand Secretary, it will be announced by the Master at the next regular communication and entered of record.

b. Effect. During the time such new lodge is working Under Dispensation, such brother's membership is in the lodge working Under Dispensation. In the event of failure in the formation of such new lodge, then the conditional demit shall be returned by the Grand Secretary to the Secretary of the lodge which issued it. The brother's membership in that lodge shall be resumed as of the date of such conditional demit. In the event of failure of such lodge working Under Dispensation to obtain a Charter, then the conditional demit shall be returned by the Grand Secretary to the Secretary issuing it. The brother's membership in that lodge shall be resumed as of the date of the refusal of the Grand Lodge to grant a Charter. Announcement of such resumption shall be made by the Master at a stated communication and should be entered of record.

CHAPTER 37 WITHDRAWAL FROM MEMBERSHIP

Section 1. PERMITTED.

Any member against whom no charges are pending and whose indebtedness to the lodge is paid may withdraw from membership by presenting a written application therefore at a stated communication.

Section 2. PROCEDURE.

The lodge shall grant the request by order of the Master and entered of record. His name shall be dropped from the roll and his membership terminated.

Section 3. STATUS.

He shall thereafter be subject to the disabilities of an unaffiliate Master Mason, as defined in Chapter 34, Section 3 of the Laws for Subordinate Lodges. However, an elective officer cannot withdraw unless he first resigns.

Section 4. REINSTATEMENT.

a. Petition Required. Any Master Mason who has withdrawn from membership may petition the lodge from which he withdrew for reinstatement.

b. Requirements. Such petition shall be recommended by at least two members of the lodge in good standing and be accompanied by the amount of the Grand Lodge and local dues for the current year.

c. Procedure. Such petition shall be presented at a stated communication of the lodge and shall then take the course of an application for affiliation as to time, recommenders, reference to a committee, and report.

d. Vote Required. A favorable unanimous secret ballot of the members present and voting shall be necessary for reinstatement.

e. Objection. Any member of the lodge entitled to vote may, at any time after the reception of the petition and before the ballot is taken, object secretly to the Master or to a Warden acting as Master to such applicant's reinstatement with the same effect and limitations as provided in Chapter 27, Section 1 of the Laws for Subordinate Lodges for candidates for the degrees.

Section 5. EXTINCT LODGES.

a. Presented to Grand Secretary. In case the lodge from which a brother has withdrawn is extinct, his petition for reinstatement shall be presented to the Grand Secretary accompanied by the recommendation of at least two Master Masons in good standing living in the county of his residence and by Grand Lodge dues for the current year.

b. Content of Petition. Such petition shall show the name, number, and location of the lodge from which such brother withdrew and the date of his withdrawal therefrom.

c. Grand Secretary's Duty. The Grand Secretary shall place before the Grand Master all documents and information in his possession in connection therewith, and the Grand Master shall thereafter satisfy himself of the worthiness of such petitioner. Upon being satisfied he shall so notify the Grand Secretary who shall then issue to the petitioner a Certificate of Reinstatement which shall have the force and effect of a regular demit.

d. Status of Petitioner. Such brother shall then have the status of a non-affiliate Master Mason and may thereafter affiliate with any lodge of his local jurisdiction under the same terms and restrictions as set out in Chapter 32 of the Laws for Subordinate Lodges.

e. Rejected Petition. Should such petition be rejected by the Grand Secretary, the brother may appeal to the Grand Lodge.

CHAPTER 38 REINSTATEMENT AFTER UNMASONIC CONDUCT

A Mason expelled or suspended in this Grand Jurisdiction for unmasonic conduct may be reinstated as provided in this chapter.

Section 1. EXPELLED MASON.

a. Lodge Action. If the petitioner for reinstatement is an expelled Mason, he must at a stated communication petition the lodge from which he was expelled. The petition must take the course of that of a profane for the degrees as to recommenders, time, and reference to a committee. *A unanimous vote by secret ballot is necessary for reinstatement.*

b. Grand Lodge Action. If the lodge votes to reinstate, it shall petition the Grand Lodge for approval of its action. If the Grand Lodge approves the action, the petitioner shall, after having been reobligated in all the degrees he has received, be fully reinstated.

c. Objection. Any member of the lodge entitled to vote, may at any time after the reception of the petition and before the ballot is taken, object secretly to the Master or to a Warden acting as Master to such applicant's reinstatement with the same effect and limitations as provided in Chapter 27, Section 1 of the Laws for Subordinate Lodges for candidates for the degrees.

Section 2. SUSPENDED MASON.

a. Lodge Action. If the petitioner for reinstatement is suspended for unmasonic conduct, he must at a stated communication petition the lodge from which he was suspended. The petition must take the course of that of a profane for the degrees as to recommenders, time, and reference to a committee. A unanimous vote by secret ballot is necessary for reinstatement.

b. Objection. Any member of the lodge entitled to vote may, at any time after the reception of the petition and before the ballot is taken, object secretly to the Master or to a Warden acting as Master to such applicant's reinstatement with the same effect and limitations as provided in Chapter 27, Section 1 of the Laws for Subordinate Lodges for candidates for the degrees.

Section 3. EXTINCT LODGE.

a. Provision. If the lodge which expelled or suspended a brother is extinct, such brother may petition the Grand Lodge for reinstatement, accompanying his petition with the amount of his indebtedness to the lodge and stating in his petition the name, number, and location of such subordinate lodge.

b. Procedure. Such petition may be presented to the Grand Lodge at its regular communication or to the Grand Master during vacation. In either case the Grand Master shall appoint a committee of investigation, and thereafter the Grand Lodge may act thereon at its discretion.

c. Vote Required. A two-thirds vote of the Grand Lodge shall be necessary to reinstate.

d. Status of Member. A reinstatement under the provisions of this section shall not be to membership in any particular lodge, but the standing of the reinstated brother shall be that of a regularly demitted Master Mason. If he is an Entered Apprentice or Fellow Craft, then his standing shall be that of a Mason in good standing of such degree with his lodge extinct.

CHAPTER 39 MASONIC BURIALS

One of the rewards of Masonic service is the honor of Masonic burial. Such burial shall be accorded by a lodge to one of its deceased members when requested by the member himself or by his family.

Section 1. ENTITLED.

None but Master Masons in good standing or non-affiliated may receive Masonic burial. Such a Master Mason in good standing who at time of his death was not a member of the lodge applied to may receive Masonic burial at the discretion of the Master.

Section 2. CONDUCTED.

All Masonic burials must be conducted by a lodge of Master Masons, and no Entered Apprentice or Fellow Craft may be admitted to the procession.

Section 3. CHARTER.

a. Location. A Master may take the Charter of his lodge to any suitable place in Iowa and there open a funeral lodge for Masonic burial purposes.

b. Presiding Officer. In the case of the inability of the Master and Wardens to preside, any Past Master of the lodge in good standing may preside at a special meeting of the lodge called for conducting the Masonic burial of a deceased member or brother.

c. Annual Lodge of Sorrow. A lodge may provide by resolution or amendment to the bylaws for an annual lodge of sorrow. Such lodge of sorrow may be opened in regular form any time after the installation of officers and remain open for the purpose of conducting funeral and memorial services during the term of office, Chapter 15, Section 6 of the Laws for Subordinate Lodges notwithstanding. The Master shall close the lodge of sorrow in regular form before the end of his term.

Minutes shall be kept by the Secretary of the lodge. These minutes shall be read in the same manner as minutes of a called communication at the next stated communication for correction and approval.

CHAPTER 40 LODGE DUES

Section 1. REQUIRED.

Each chartered lodge shall collect from each member thereof annual dues. Such dues consist of two parts:

a. Grand Lodge. Grand Lodge dues shall be such per capita amount as the Grand Lodge shall order.

b. Subordinate Lodge. Subordinate lodge dues shall be such per capita amount as the lodge shall fix by bylaw duly enacted. The amount of such per capita part shall not be less than four dollars.

Section 2. LODGES RESPONSIBLE.

Each lodge shall be responsible for the per capita Grand Lodge part and shall collect the same from each member together with the part allocated for lodge purposes, exempting none except as expressly provided by law.

Section 3. MEMBERS TO BE CHARGED.

When a brother becomes a member of a lodge, the Secretary shall collect from him the part of the annual dues allocated for Grand Lodge purposes and the part allocated for lodge purposes except as provided in the following section.

Section 4. EXCEPTIONS.

a. Membership after July 1st. When a brother becomes a member after the first day of July of any year, the lodge may, by bylaw duly enacted, collect the one-half of the lodge part of its dues for that year. In such event Grand Lodge dues shall be correspondingly prorated.

b. Remission. If a lodge by vote duly taken finds a brother unable to pay accrued or current dues, or if a brother is in the active military or naval service of the United States or of any of its allies, it may remit such accrued or current dues in whole or in part. If remitted in whole, such action shall remit both the part going to the Grand Lodge and that going to the lodge; provided, that the action of the lodge is properly reported on the Returns.

c. Paid Elsewhere. In case a member has paid Grand or subordinate lodge dues for the annual period in one lodge and becomes a member of another lodge during such period, no Grand or subordinate lodge dues shall be collected from him for the year for which such dues have been paid. This provision is not applicable to dual or plural membership.

d. Fifty Year Members. No annual dues shall be assessed against any member who had, prior to January one of that year, completed an aggregate of at least fifty (50) years as a member in one or more lodges of this Grand Jurisdiction or one recognized by the Grand Lodge of Iowa. However, in determining the aggregate years of membership in any lodge or lodges, no lapse shall have been deemed to occur for time between demission from a lodge and the following election into a lodge if both the demission and election are within a period of one year and for which the dues have been fully paid or remitted. (*Amended 2006*)

Section 5. WHEN DUE.

All dues shall be due and payable by lodge members in advance on the first day of January of each year.

Section 6. STATEMENT REQUIRED.

When the dues become due, it is the duty of the Secretary to send a statement of the amount due courteously informing the brother of that fact and requesting payment.

Section 7. RECEIPT FOR DUES.

The Secretary of each subordinate lodge is required to issue an official Receipt for Dues to each member on his payment of said dues for the current year. The identification cards or Receipts for Dues must be procured through the Grand Secretary's Office.

Section 8. COLLECTION.

All moneys due from members shall be collected by the Secretary, who shall keep a just and regular account thereof and promptly pay them over to the Treasurer, taking his receipt therefore.

Section 9. SENT TO GRAND SECRETARY.

All moneys collected by the lodges and belonging to the Grand Lodge may be transmitted to the Grand Secretary at any time.

CHAPTER 41 DELINQUENT DUES

Section 1. WHEN DELINQUENT.

Unpaid dues become delinquent three months after they are due and payable. (See Chapter 40, Section 5 of the Laws for Subordinate Lodges.) (*Amended 2011*)

Section 2. EXCEPTION.

Dues shall in no case be deemed delinquent where the brother is excused from payment on account of inability to pay.

Section 3. REMISSION BY LODGE.

When the dues of any member become delinquent, the lodge may remit them upon a proper showing of inability to pay. If such action is not taken, the procedure shall be as set forth in the following sections.

Section 4. NOTICE OF DELINQUENCY.

When a member shall fail to pay his dues on or before the first day of April in any year, it shall be the duty of the Secretary to notify him of his delinquency within ten (10) days immediately following April 1, in writing addressed to him at his last known address by United States mail in a sealed envelope with sufficient postage. The notice shall advise him that if he fails to pay his dues on or before the date of the stated communication in July of that year (giving the exact date of same) then his name will, without action by the lodge, be automatically dropped from the roll as of that date. A member who has supposedly paid his dues by submitting a check which is returned for any reason other than endorsement missing shall, after being notified of the fact and failing to make it good, be deemed to have failed to pay his dues. The Secretary shall at the July stated communication read the names of all members whose dues are not paid, and unless action is taken to remit the same, they will be automatically dropped from the roll as of that date. This action shall be recorded in the minutes.

Within fifteen (15) days after the July stated communication at which such action was taken, notification of the action shall be given said member by the Secretary in writing addressed to him at his last known address by United States mail in a sealed envelope with sufficient postage on a form

prescribed by the Grand Secretary. Such notice shall have printed thereon the provisions of Section 8 of this Chapter relative to restorations. However, the failure of the Secretary to give such notice shall not affect the action of the lodge in dropping the brother from the roll.

In the event a member's dues check, submitted prior to the July stated communication, is returned following the August stated communication for reasons indicated above, said member shall, after being notified of the fact and failing to make it good, be considered as dropped from the roll as of the date of the July stated communication. Such fact and the particulars thereof shall be recorded in the July minutes as a supplement. Such action shall be completed and the supplement recorded prior to the August stated communication.

Should a lodge, by its bylaws, not meet in July, then the Secretary shall act as if the lodge had met for its stated communication, and make report to the lodge at its next stated communication. *(Amended 2010)*

Section 5. APPEARANCE.

If the brother appears at any time on or before the date of the stated communication in July either in person, by written communication, or by some brother in his behalf, he may be heard. Upon a sufficient showing of inability to pay, the lodge may remit the dues. *(Amended 2010)*

Section 6. RECORD.

The Secretary shall make full record of all proceedings had under this chapter. Such records shall show:

- a. The date and nature of all notices sent out under the provisions of Section 4 of this Chapter.
- b. All proceedings and actions taken under the provisions of Sections 4 and 5 of this Chapter.

Section 7. DURING SUSPENSION.

a. Dues not Charged. No dues shall be charged against a Mason for the period during which his name is not on the roll of members.

b. Standing. During the period a brother's name remains off the roll his status shall be:

- (1) For the first year, that of a non-affiliate. (Chapter 34, Section 2 of the Laws for Subordinate Lodges.)
- (2) After one year, that of an unaffiliate. (Chapter 34, Section 3 of the Laws for Subordinate Lodges.)

Section 8. RESTORATION.

a. Within One Year. If within one year from the date his name was dropped from the roll, the brother shall pay the amount he then owed plus the current year's dues, or if the lodge shall by a two-thirds vote remit the same, such payment or remission shall automatically restore him to the roll of members as of the date of payment or remission, which fact shall be entered of record.

b. After One Year. If such payment or remission is not made within one year from the date his name was dropped from the roll, the brother must petition for restoration. The petition must take the course of that of a profane for the degrees as to recommenders, time, and reference to a committee. A favorable secret ballot of two-thirds of the members present and voting shall be necessary to restore. No petition may be entertained except upon payment of the amount due when his name was dropped from the roll and his dues for the current year, unless the lodge shall, by a two-thirds vote, remit the same.

If such dues are paid with a view to restoration and restoration is refused by a vote of the lodge, the money so paid shall be refunded.

c. Extinct Lodge. Should the lodge of which the brother was a member become extinct, he may be restored as follows:

(1) Within the Year. By paying to the Grand Secretary all his indebtedness to such lodge at the date of its demise.

(2) After One Year. By following the provisions of Chapter 38, Section 3 of the Laws for Subordinate Lodges.

Section 9. MASTER'S DUTY.

It is hereby made the duty of the Master of each lodge to see that the law for the collection of dues is observed. For a failure to do so the Grand Master may arrest his jewel.

CHAPTER 42 GRAND LODGE DUES

Section 1. REQUIRED.

Each chartered lodge shall pay annually to the Grand Secretary, for use of the Grand Lodge, amounts as hereinafter specified:

a. Thirty-five dollars (\$35.00) for each brother who was a member thereof during any part of the preceding fiscal year. This amount is to be apportioned by the Grand Secretary as follows: twenty-eight dollars and ninety-five cents (\$28.95) to the General Fund, four dollars and twenty-five cents (\$4.25) to the Building Fund, one dollar (\$1.00) to the Trustees of the Herman L. Rowley Memorial Trust Fund, sixty-five cents (\$0.65) to the Iowa Masonic Health Facilities Fund, and fifteen cents (\$0.15) to the Field Financial Aid Fund. *(Amended 2006) (Amended 2010)*

b. In each of the fiscal years, 2007-2008 and 2008-2009, an amount equal to five dollars (\$5.00) per dues paying member shall be transferred from the General Fund to the Building Fund for the purpose of completing the roof replacement of the Iowa Masonic Library and Administration Building and for the repayment of funds previously borrowed from the Building Trust Fund for that roof replacement. Funds remaining after the completion of this purpose shall accrue to the Building Trust Fund. *(Amended 2006)*

c. Also, for each brother who has been restored to membership after being dropped from the roll for nonpayment of dues, an amount equal to the per capita Grand Lodge dues in force at the time he was dropped, provided that the dues for which he was dropped have not been legally remitted. The amount shall be apportioned by the Grand Secretary in the manner that was provided in the Code at the time he was dropped. *(Amended 2006)*

Section 2. EXCEPTIONS.

No per capita dues for a given year shall be charged against a lodge for members excused for reasons specified below; provided, the names of those excused are properly reported to the Grand Secretary on the Returns.

a. One who has furnished satisfactory evidence of having completed fifty (50) years of membership as provided in Chapter 40, Section 4d of the Laws for Subordinate Lodges.

b. One who has lawfully paid said dues for said year in another lodge.

c. One who has been excused on account of inability to pay said dues.

d. One who has been dropped from the roll for nonpayment of said dues.

e. One who has died during that year and whose dues at the time of his death were unpaid.

f. One whose request for a demit had been received by the Secretary after the regular communication of the lodge in December of the previous year, but before January 1, and who was granted a demit at the first regular communication thereafter. In cases where the application for a demit

is forwarded through the Grand Secretary's office, receipt by that office shall be considered the same as if the application had been received by the subordinate lodge Secretary. In forwarding such an application, the Grand Secretary shall so advise the subordinate lodge Secretary.

Section 3. OTHER FUNDS.

Each lodge, chartered or under dispensation, shall also pay to the Grand Secretary, fifteen dollars (\$15.00) for each petitioner initiated, of which ten dollars (\$10.00) shall go to the Grand Lodge Building Fund and five dollars (\$5.00) to the George Washington Masonic National Memorial Maintenance Fund.

Section 4. GRAND SECRETARY'S DUTY.

Upon the completion of the inspection of and report on the final Returns of the lodges, the Grand Secretary shall prepare and forward to each lodge a certificate stating the amount due the Grand Lodge from such lodge.

Section 5. OFFICERS' DUTY.

Within ten days from receipt of such certificate, the Master and Secretary of the lodge shall issue an order on the Treasurer for the amount specified in said certificate and forward same to the Grand Secretary. The Treasurer shall make arrangements with some bank to have this order promptly honored on presentation.

Section 6. PENALTY.

A failure on the part of any one of said officers to do so shall be *prima facie* a neglect of duty and subject the offender to the same disqualifications and consequences provided in case of failure to properly forward Returns to the Grand Secretary.

**CHAPTER 43
RELOCATION OF LODGES**

Section 1. Proposal.

A lodge within this Grand Jurisdiction may be relocated to any city or town within the jurisdiction as the lodge may determine in its bylaws, subject to review or change by the Grand Master or the Grand Lodge. A proposition to relocate a lodge from one city or town to another must be in writing and signed by a member or members of the lodge.

Section 2. ACTION DEFERRED.

Whenever such a proposition is made to a lodge, it shall be read by the Secretary at the first stated communication held thereafter and spread in detail upon the records, and action thereon deferred until the next stated communication.

Section 3. NOTICE TO MEMBERS.

Within ten days after the close of the communication at which such proposition shall have been presented, the Secretary shall, in writing and under seal of the lodge, notify each member of the proposition, and that action thereon will be taken at the next stated communication giving the date, hour, and place of meeting.

Section 4. SERVICE OF NOTICE.

Service of such notice shall be in the same manner as that provided for summoning the lodge for the trial of a brother on charges preferred, and the proof of service shall be as provided in Chapter 12 of Offenses and Trials.

Section 5. ACTION TAKEN.

At the next succeeding stated communication, such proposition must be again read and action taken by ballot in answer to the question by the Master, "Shall the lodge be relocated to _____ (naming the city or town)?" Those in favor of relocation shall deposit a ballot with the word "Yes;" those opposed, a ballot with the word "No." If the "Yes" vote is a majority, then the proposition shall be submitted to the Grand Master.

Section 6. NOTICE TO LODGES AFFECTED.

Upon being informed of the action of the lodge, the Grand Master shall, in writing, give notice to lodges affected by the proposed relocation, requiring them within forty days from date of such notice to present to him their reasons, if any, in favor of or in opposition to such relocation. Members of the lodge which voted to relocate shall also be allowed the same time within which to present their reasons for or against relocation. If the Grand Master gives written approval, the relocation shall take place; otherwise not.

CHAPTER 44 CONSOLIDATION OF LODGES

Section 1. PROCEDURE.

When two or more lodges desire to consolidate, they shall proceed as follows:

a. When Presented. The question of such consolidation and the location of the consolidated lodge shall be presented in each lodge at a stated communication thereof.

b. Master's Declaration. The Master shall then announce that the question will be for action by the lodge at the next stated communication.

c. Secretary's Duty. The Secretary shall then notify each member of the lodge of the question and the time when action will be taken.

d. Service of Notice. Service of such notice shall be in the same manner as that provided for summoning the lodge for the trial of a brother on charges preferred, and the proof of service shall be as provided in Chapter 12 of Offenses and Trials.

Section 2. PUTTING THE QUESTION.

At the stated communication at which the members are notified to appear, the Master shall submit this question: "Shall this lodge consolidate with _____ Lodge No. _____ (giving the name and number), and shall the consolidated lodge be located at _____ (giving location agreed upon)?"

Section 3. QUORUM.

a. Present. If there be present at least seven members of the particular lodge who are entitled to vote therein, including the Master or a Warden, then a written ballot shall be taken. If at least a majority of the members present and entitled to vote shall vote "yes," the lodge shall be recorded as in favor of such consolidation.

b. No Quorum. If, after due notice as provided by Section 1 of this Chapter and at a meeting held in pursuance thereof, there fail to be present at least seven members of the lodge, including the Master

or a Warden, then at the direction of the Grand Master the matter of consolidation shall come up at a time fixed for a stated communication. The Grand Secretary shall give due notice of such stated communication to all members of the lodge notifying them of the proposition to be then presented and requiring their presence. The Grand Master, or an officer of the Grand Lodge named by him, shall, with the member or members of the lodge then in attendance, hold a meeting, and a vote of the members of the lodge who are present and entitled to vote shall be taken on the question of the consolidation. Such question shall be decided by a majority vote of such members of the lodge even though they may be less than seven.

Section 4. LODGE PROPERTY.

If each lodge is in favor of such consolidation, then the lodges are consolidated and shall constitute but one lodge. The property and effects of the several lodges shall become the property of the consolidated lodge.

Section 5. NAME AND NUMBER.

The name and number of the consolidated lodge shall be those of the lodge first chartered. However, by a majority vote of the members present at the time consolidation is voted upon, the name or combination of names and one of the numbers of any of the consolidating lodges may be adopted and/or the location of the lodge may include the combined name of the communities in which the lodges consolidating were located. The majority above referred to shall be of the combined membership present in all the lodges participating.

Section 6. OFFICERS.

The officers of the senior lodge, considering the date of Charter, shall act as officers of the consolidated lodge until their successors shall be elected and installed.

Section 7. COMMUNICATIONS.

The stated communications of the consolidated lodge, until regularly changed, shall be at the time fixed for the stated communications of the senior lodge.

Section 8. ELECTION AND INSTALLATION.

In case of the consolidation of lodges, there shall be an election of officers at the first stated communication, and the officers shall be installed at once, or not later than the next stated communication. The term of such officers shall be until the next annual election as provided by law.

Section 9. REPORT TO GRAND SECRETARY.

When such consolidation has been effected and the officers of the consolidated lodge have been duly elected and installed, it shall be the duty of the Secretary of such consolidated lodge to report at once to the Grand Secretary the action that has been taken. The report shall also include a list of the officers of the consolidated lodge.

**CHAPTER 45
ARREST AND REVOCATION OF CHARTER**

Section 1. DEFINITIONS.

a. Arrest. The arrest of a Charter is a temporary suspension of the functions of the lodge, and such arrest shall be in force until final action of the Grand Lodge unless the Charter is sooner restored by the Grand Master.

b. Revocation. The revocation of a Charter is the declaration by the Grand Lodge on final hearing that the Charter is forfeited. Upon such action, the lodge becomes extinct.

Section 2. ARREST.

a. By Grand Master. The Grand Master, during a recess of the Grand Lodge, may arrest the Charter of a subordinate lodge. In such case he must report his action to the Grand Lodge at its next regular communication with his reasons therefore. At such time the lodge may be heard in its own behalf.

Where immediate action is not demanded, it is recommended that the lodge be notified of the contemplated action and given an opportunity to show cause against the arrest.

b. Property. When a Charter is arrested, the Grand Master shall assume charge of the records and property of the lodge until final action on the matter. If the Charter is restored, said property shall be returned to the lodge, less Grand Lodge dues and expense incurred by Grand Lodge. However, if the arrest shall be adjudged by the Grand Lodge to be wrongful, the restoration shall be made without expense to the subordinate lodge. If the Charter is revoked, the property shall be subject to the provisions of Chapter 47, Sections 4 and 5 of the Laws for Subordinate Lodges.

c. Grand Lodge Action. The Grand Lodge upon final hearing may approve or disapprove the action of the Grand Master, and although it may approve such action, it may restore the Charter without revocation, if satisfied that the discipline is already sufficient and that the good of the Craft will be thereby subserved.

Section 3. REVOCATION.

The Grand Lodge may revoke the Charter of a subordinate lodge for disobedience of Grand Lodge orders, rules, or laws; for insubordination; or whenever in its judgment the condition of the lodge is such that its longer existence is deleterious to the good of Masonry.

Section 4. MEMBERS AT FAULT.

If there shall be filed with the Grand Secretary a charge that the revocation of the Charter was brought about by the misconduct of any member or members, the certificate of good standing provided for in Chapter 47, Section 2 of the Laws for Subordinate Lodges shall not be issued to such member or members until the Grand Lodge directs the Grand Secretary to issue the same. In case such charge is filed, the action of the Grand Lodge may be invoked by the petition of the member or members seeking certificates. Upon the filing with the Grand Secretary of such petition, the Grand Lodge shall have jurisdiction and investigate the matter in a summary way and enter such order as it may deem just, having in view the rights of all concerned.

**CHAPTER 46
SURRENDER OF CHARTER**

The voluntary surrender of a Charter is effected in the following manner:

Section 1. PROPOSITION SUBMITTED.

The proposition therefore shall be submitted at a stated communication. If the lodge fails to hold a stated communication, then the proposition may be presented to the Master or Secretary.

Section 2. ACTION.

If presented at a stated communication, action thereon shall be taken at the next stated communication. If the proposition is presented to the Master or Secretary, then action shall not be taken thereon until the time for the second stated communication after it is so presented. No such

action shall be taken unless there are present seven members of the lodge who are entitled to vote therein including the Master or a Warden.

Section 3. NOTICE REQUIRED.

Each member of the lodge and the Grand Master shall be notified in writing of such contemplated action by notice addressed to him at his last known place of residence and mailed at least twenty (20) days prior to the date of the contemplated action.

Section 4. PROOF OF SERVICE.

The proof of the service shall be as provided in Chapter 12, Section 4d of Offenses and Trials which shall show a twenty (20) days' service, and when so made shall be conclusive of such fact.

Section 5. GRAND MASTER'S SUPERVISION.

Upon receiving notice, the Grand Master or his duly appointed representative shall supervise the action of the lodge on the proposition.

Section 6. ACTION BY THE LODGE.

At the time specified, when proof of service is filed and made of record in the presence of the Grand Master or his duly appointed representative, the lodge may act on the proposition. The Master shall submit the question: "Shall the Charter be surrendered?" The vote shall be by ballot, with the word "yes" or "no" as each may vote. If there is a majority of affirmative ballots and less than fifteen (15) negative ballots, the Charter shall be surrendered; otherwise, not. If the vote is in favor of surrender, the Grand Master may at his discretion, upon application of seven members of the lodge, order another ballot. In such case, the Grand Master must fix the time for taking the ballot and the notice to be given thereof.

Section 7. SURRENDER TAKE EFFECT.

The Grand Master shall determine the regularity of the proceedings, supervise the orderly termination of the business of the lodge, make such orders as are necessary to accomplish the same, and issue a proclamation of surrender.

**CHAPTER 47
EXTINCT LODGES**

Section 1. STANDING OF MEMBERS.

Whenever the Charter of a lodge shall be surrendered or revoked, the standing of each member thereof at the date of the surrender or revocation shall be that of a non-affiliate Master Mason in good standing with a regular demit. This does not apply to dual or plural memberships.

Section 2. CERTIFICATE.

Upon the return of the books and records of the lodge to the Grand Secretary, he shall issue to each member of the lodge, as shown by such books and records, a certificate of good standing under the seal of the Grand Lodge. Such certificate shall have the force and effect of a demit; provided, that no brother shall receive such certificate until he shall pay to the Grand Secretary all his indebtedness to such lodge at the date of its demise. An Entered Apprentice or Fellow Craft reported as in good standing when the lodge ceased to exist shall be entitled to a Grand Lodge certificate to that effect upon application to the Grand Secretary.

Section 3. UNAFFILIATE.

Should a brother seeking such certificate of good standing have been dropped from the roll, suspended, or expelled prior to the loss of the Charter of his lodge, he must pay to the Grand Secretary all his indebtedness to the lodge at the date of his loss of membership. He must then be reinstated in the manner provided by law before a certificate can be issued to him.

Section 4. PROPERTY.

Whenever any lodge shall voluntarily surrender its Charter or such Charter shall be revoked, it shall be the duty of the Master, Secretary, and Treasurer of the lodge, and each of them, at once or within such time as the Grand Lodge or the Grand Master may order, to forward to the Grand Secretary at his office all the books, papers, and jewels, and also funds of the lodge sufficient to pay all amounts due or to become due during the year to the Grand Lodge.

Section 5. OTHER PROPERTY.

No property owned by a lodge, except that described in Section 4 of this Chapter, shall, upon the surrender or revocation of the Charter of such lodge, become the property of the Grand Lodge. However, the assets available for the payment of its obligations shall be used for that purpose under the direction of the Grand Master or a brother deputized by him. For that purpose the assets may, if necessary, be converted into money, or otherwise applied, at his discretion.

Section 6. NEW LODGE.

Nothing in this Code shall be construed to prohibit the members of an extinct lodge who are in good standing, or any of them, by themselves or with other demitted Masons, from organizing a new lodge.

CHAPTER 48 RESTORATION OF CHARTER

Section 1. CONDITIONS.

If a Charter has been surrendered or revoked, it may be restored by the Grand Lodge; provided, that application therefore is made at the next regular communication of the Grand Lodge. In such case the restoration must be made to the identical lodge in name and number with the right to membership therein of every member thereof at the date of surrender or revocation who has not affiliated with another lodge and who continues in good standing.

Section 2. APPLICATION.

Such application may be made by any fifteen brothers who were members of the lodge at the date of surrender or revocation, who have not affiliated with another lodge, and who are in good standing. Such application shall be accompanied by the Grand Lodge certificates of the applicants.

Section 3. EFFECT ON MEMBERSHIP.

The restoration of a Charter to a lodge restores to membership therein all who were members thereof at the date of surrender or revocation and who continue in good standing, providing they file their Grand Lodge certificates with the Grand Secretary prior to restoration or with the Secretary of the lodge within one year from the date of restoration of the Charter.

Section 4. PROPERTY RETURNED.

Whenever a Charter shall be restored, all property and effects received by the Grand Lodge and not expended for or on behalf of the subordinate lodge shall be returned with the Charter, less expenses incurred by the Grand Lodge.
